
HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS, IN CONSULTATION WITH THE DEPARTMENT OF TAXATION, TO CONDUCT A STUDY ON THE SOCIAL AND ECONOMIC IMPACTS OF PERMITTING THE SALE OF AERIAL FIREWORKS AND IMPOSING A TAX ON THE SALE OF AERIAL FIREWORKS.

1 WHEREAS, illegal aerial fireworks are prevalent and an
2 ongoing problem throughout the State; and

3
4 WHEREAS, the use of illegal aerial fireworks in
5 neighborhoods has substantially increased in recent years,
6 resulting in serious injuries, property damage, and fatalities;
7 and

8
9 WHEREAS, despite strict penalties, the drastic increase in
10 the illegal use of aerial fireworks continues due to the
11 longstanding practice in the State of setting off aerial
12 fireworks to mark important occasions; and

13
14 WHEREAS, in the *Report of the Illegal Fireworks Task Force*
15 *to the Legislature for the Regular Session of 2011*, submitted by
16 the Illegal Fireworks Task Force (Task Force) established by Act
17 170, Session Laws of Hawaii 2010, the Task Force recommended
18 increasing fines to discourage illicit firework activities,
19 including the illegal import, possession, sale, and use of
20 fireworks; and

21
22 WHEREAS, the Task Force additionally recommended
23 decriminalizing firework offenses in favor of civil fines; and

24
25 WHEREAS, the recommendations of the Task Force have not
26 seemed to make the positive impact as was thought; and

27
28 WHEREAS, the imposition of tax on the sale of consumer
29 fireworks would be a new idea that could potentially serve as a

deterrent and raise additional revenue for the State; now,
therefore,

BE IT RESOLVED by the House of Representatives of the
Thirty-first Legislature of the State of Hawaii, Regular Session
of 2022, that the Department of Commerce and Consumer Affairs,
in consultation with the Department of Taxation, is requested to
conduct a study on the social and economic impacts of permitting
the sale of aerial fireworks and imposing a tax on the sale of
aerial fireworks; and

BE IT FURTHER RESOLVED that in the study, the Department of
Commerce and Consumer Affairs and Department of Taxation are
requested to consider:

- (1) The potential revenue that could be raised by imposing
a tax on the sale of aerial fireworks;
- (2) If permitting the sale and imposing a tax on the sale
of aerial fireworks would discourage illegal fireworks
activities;
- (3) If the potential revenue raised by imposing a tax
could be used to curb the illegal use of fireworks;
and
- (4) If a mandatory liability insurance policy should be
implemented for persons who purchase a permit for
aerial fireworks; and

BE IT FURTHER RESOLVED that the Department of Commerce and
Consumer Affairs is further requested to submit a report of its
findings and recommendations, including any proposed
legislation, to the Legislature no later than twenty days prior
to the convening of the Regular Session of 2023; and

BE IT FURTHER RESOLVED that certified copies of this
Resolution be transmitted to the Director of Commerce and
Consumer Affairs and Director of Taxation.
