
HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT, AND
TOURISM TO CONDUCT A STUDY ON THE "MADE IN HAWAII" AND
"HAWAII MADE" BRANDS AND PREPARE A PLAN TO ENCOURAGE AND
ENFORCE THE USE OF THOSE BRANDS.

1 WHEREAS, the Legislature enacted Act 153, Session Laws of
2 Hawaii 1991 (Act 153), that updated the State's measurement
3 standards to align with national consensus standards for
4 uniformity in weights and measures; and
5

6 WHEREAS, Act 153, in part, established a new provision on
7 the place-of-origin labeling of Hawaii-made products, which
8 prohibited the possession or sale of any merchandise labeled
9 "Made in Hawaii" that was not manufactured, assembled,
10 fabricated, or produced within the State and did not have at
11 least fifty-one percent of its wholesale value added by
12 manufacture, assembly, fabrication, or production within the
13 State; and
14

15 WHEREAS, the "Made in Hawaii" branding program, along with
16 a corresponding trademark, was created within the Department of
17 Agriculture to protect the integrity and value of authentic
18 Hawaii-branded products; regulate products that were made
19 elsewhere but deceptively contain "Made in Hawaii" labels; and
20 ensure that Hawaii's locally manufactured and agricultural
21 products could continue to be effectively marketed, identified,
22 and promoted across the world; and
23

24 WHEREAS, as an integral part of the State's economic
25 development strategy, the Legislature passed Act 2, Special
26 Session Laws of Hawaii 2021 (Act 2), which, in part, created the
27 "Hawaii Made" program for manufactured products to be
28 administered by the Department of Business, Economic
29 Development, and Tourism; and
30

1 WHEREAS, concerns have been raised regarding an overlap of
2 jurisdictions between the "Hawaii Made" program and its
3 corresponding brand, which is administered by the Department of
4 Business, Economic Development, and Tourism, and the "Made in
5 Hawaii" program and its corresponding "Made in Hawaii with
6 Aloha" brand, which is administered by the Department of
7 Agriculture; and

8
9 WHEREAS, though Act 2 required that the Department of
10 Business, Economic Development, and Tourism hold ownership of
11 the "Hawaii Made" trademark, the Department does not currently
12 have any statutory authority to enforce the trademark; and

13
14 WHEREAS, additional clarification is needed to determine:

- 15
16 (1) The purpose and scope of the "Hawaii Made" program in
17 relation to the "Made in Hawaii" program; and
18
19 (2) The proper enforcement procedures and responsibilities
20 relating to the "Hawaii Made" program; now, therefore,

21
22 BE IT RESOLVED by the House of Representatives of the
23 Thirty-first Legislature of the State of Hawaii, Regular Session
24 of 2022, that the Department of Business, Economic Development,
25 and Tourism is requested to conduct a study on the "Made in
26 Hawaii" and "Hawaii Made" brands; and

27
28 BE IT FURTHER RESOLVED that the study is requested to:

- 29
30 (1) Summarize and assess previous work relating to the
31 "Hawaii Made" and "Made in Hawaii" brands to identify
32 significant areas for improvement, increased
33 effectiveness, and flexibility of use;
34
35 (2) Assess and compare the current and potential value of
36 using the "Hawaii Made" and "Made in Hawaii" brands to
37 determine which option provides the most benefits to
38 Hawaii manufacturers; and
39
40 (3) Review best practices that could serve as a model to
41 promote and enforce viable "Hawaii Made" and "Made in
42 Hawaii" brands; and

1
2 BE IT FURTHER RESOLVED that the Department of Business,
3 Economic Development, and Tourism is requested to prepare a plan
4 to encourage and enforce the use of the "Hawaii Made" and "Made
5 in Hawaii" brands; and
6

7 BE IT FURTHER RESOLVED that in preparing the plan the
8 Department of Business, Economic Development, and Tourism is
9 requested to:
10

11 (1) Develop a "Hawaii Made" brand and mark that:
12

13 (A) Incorporates cultural values;
14

15 (B) Is sensitive to the concerns of the broader
16 community of stakeholders; and
17

18 (C) Is marketable, locally, nationally, and
19 internationally;
20

21 (2) Determine proper and effective enforcement procedures
22 and responsibilities, including inspections,
23 investigative and subpoena powers, citations, fines,
24 and injunctive relief, for the "Hawaii Made" brand;
25 and
26

27 (3) Determine incentives, such as tax credits, grants, and
28 promotional support, that would compel companies in
29 the State to become certified as companies that
30 produce "Hawaii Made", or "Made in Hawaii" branded
31 products, or both; and
32

33 BE IT FURTHER RESOLVED that the Department of Business,
34 Economic Development, and Tourism is requested to submit a
35 report of its findings and recommendations, including any
36 proposed legislation, to the Legislature no later than twenty
37 days prior to the convening of the Regular Session of 2023; and
38

39 BE IT FURTHER RESOLVED that a certified copy of this
40 Resolution be transmitted to the Director of Business, Economic
41 Development, and Tourism.
