
A BILL FOR AN ACT

RELATING TO HOMELESSNESS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that homelessness in
2 Hawaii is a long-term problem. The legislature acknowledges
3 that homelessness requires greater collaboration and
4 coordination among diverse government entities, businesses,
5 nonprofits, and faith-based organizations. Accordingly, the
6 legislature enacted Act 105, Session Laws of Hawaii 2012 (Act
7 105). Act 105, in part, formally established the Hawaii
8 interagency council on homelessness, which was temporarily
9 created through Executive Order No 11-21, and allowed the
10 council to continue identifying critical strategic goals and
11 initiatives that would mitigate homelessness while ensuring that
12 persons experiencing homelessness obtain permanent housing and
13 become reintegrated into the community. As one of its statutory
14 duties, the council adopted a ten-year plan on September 10,
15 2012. At that time, the point-in-time count or the annual one-
16 day unduplicated count of sheltered and unsheltered individuals
17 and families experiencing homelessness in the State totaled

1 7,921 statewide. Eight years later, in 2020, the point-in-time
2 count totaled 6,458.

3 While the Hawaii interagency council on homelessness has a
4 ten-year plan, the legislature further finds that the State
5 lacks a long-term commitment to reduce, prevent, and end
6 homelessness. Various state agencies and programs that address
7 homelessness have been built up on a piecemeal basis and have
8 approached homelessness in a similar manner. There is no
9 central agency tasked to find solutions to homelessness through
10 reduction and prevention by coordinating state and local
11 government agencies and private entities.

12 The legislature recognizes that year-to-year funding,
13 rather than consistent funding in the base budget, creates
14 uncertainty for the staff of a program to continue their duties
15 and responsibilities. For example, in 2019, the legislature
16 enacted Act 81, Session Laws of Hawaii 2019, which appointed the
17 governor's coordinator on homelessness to administer and enforce
18 the duties and responsibilities of the council. The coordinator
19 is currently funded as a special project under the department of
20 human services, while the coordinator's full-time staff of four
21 are not permanent employees. In addition, year-to-year funding

1 among agencies and providers for homeless services threatens
2 already potentially sporadic and fragmented services, instead of
3 providing consistent support that will help permanently house
4 persons experiencing homelessness in the State.

5 Accordingly, the purpose of this Act is to:

6 (1) Establish the office on homelessness and housing
7 solutions; and

8 (2) Make an appropriation.

9 SECTION 2. Chapter 346, Hawaii Revised Statutes, is
10 amended by adding a new part to be appropriately designated and

§ -6 Homelessness and housing solutions special fund.

4 agencies in accordance with chapter 103F involved in
5 homelessness and housing solutions other than those
6 covered by this section;

7 (3) Testing, developing, and assessing innovative housing
8 solutions; and

9 (4) Covering administrative and operational costs of the
10 office."

11 SECTION 3. There is appropriated out of the general fund
12 revenues of the State of Hawaii the sum of \$2,000,000 or so much
13 thereof as may be necessary for fiscal year 2022-2023 to be
14 deposited into the homelessness and housing solutions special
15 fund; provided that any funds appropriated pursuant to this
16 section shall be in addition to and shall not supplant any
17 portion of the budget for the ohana zones fund, housing first
18 fund, rental housing revolving fund, and any other existing
19 fund.

20 SECTION 4. There is appropriated out of the homelessness
21 and housing solutions special fund the sum of \$2,000,000 or so
