13 services. The purpose of the project reset program shall be to
14 oversee the development and implementation of comprehensive
15 post-release housing programs to assist offenders who are
16 transitioning back into the community. The program shall assist
17 offenders in securing post-release housing, including

2 support the offender's reentry, rehabilitation, and employment
3 prospects.

4 SECTION 3. There is appropriated out of the general
5 revenues of the State of Hawaii the sum of \$375,000 or so much
6 thereof as may be necessary for fiscal year 2022-2023 for the

8 established under this Act.
