A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR HIGHWAY WIDENING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the United States
2 Congress recently passed the Bipartisan Infrastructure Law. The
3 Bipartisan Infrastructure Law includes more than
4 \$100,000,000,000 in new funds to invest in the nation's roads,
5 bridges, and major infrastructure projects. These funds can
6 serve as the source of funding for necessary widening of Queen
7 Ka'ahumanu highway and Kuakini highway between Henry street and
8 Kamehameha III road on the island of Hawai'i.

9 The legislature further finds that the rapidly growing
10 population in west Hawai'i has contributed to chronic vehicular
11 traffic on Queen Ka'ahumanu highway and Kuakini highway between
12 Henry street and Kamehameha III road on Hawai'i island that
13 typically lasts several hours in the mornings and evenings.
14 With a higher number of accidents at the bottleneck where the
15 Queen Ka'ahumanu and Kuakini highways merge, the thoroughfare

1 that serves as south Kona's critical lifeline to Kailua-Kona is
2 often compromised for hours at a time.

3 As the department of transportation has identified safety
4 and preservation projects as its highest priorities, the
5 legislature finds that the widening of Queen Ka'ahumanu highway
6 and Kuakini highway between Henry street and Kamehameha III road
7 on Hawai'i island is consistent with the department of
8 transportation's priorities and would serve the safety and
9 public welfare interests of the State.

10 The department of transportation has indicated its support
11 for widening Queen Ka'ahumanu highway and Kuakini highway between
12 Henry street and Kamehameha III road on the island of Hawai'i.

13 The department of transportation has indicated that the
14 estimated cost of adding one additional lane and contraflow
15 measures is \$30,000,000.

16 The purpose of this Act is to appropriate funds to the
17 department of transportation to widen Queen Ka'ahumanu highway
18 and Kuakini highway between Henry street and Kamehameha III road
19 on the island of Hawai'i.

20 SECTION 2. There is appropriated out of the general
21 revenues of the State of Hawaii the sum of \$ or so

1 much thereof as may be necessary for fiscal year 2022-2023 for
2 the widening of Queen Kaahumanu highway and Kuakini highway
3 between Henry street and Kamehameha III road on the island of
4 Hawaii.

5 The sums appropriated shall be expended by the department
6 of transportation for the purposes of this Act.

7 SECTION 3. This Act shall take effect on July 1, 2022.
