JUSTIFICATION SHEET

SB. NO. 3065

DEPARTMENT: Budget and Finance

TITLE: A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYMENT COST ITEMS.

PURPOSE: To provide appropriations for collective bargaining cost items and other public employment costs for the members of Unit (9) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2021-2023.

MEANS: By the submittal of a specific appropriation measure.

JUSTIFICATION: Appropriations by the Legislature are necessary to cover the expected cost of implementing the collective bargaining agreement negotiated between the State and the respective bargaining unit representing state public officers and employees for the fiscal biennium that commenced July 1, 2021.

Inasmuch as an agreement with the bargaining unit was not reached in time to include all cost items in the 2021-2023 biennium budget, a separate measure is proposed for submittal to the Legislature. An agreement was reached and notification of ratification was issued on January 18, 2022, that includes adjustments retroactive to July 1, 2021. An agreement for employer-union trust fund employer contributions was also reached and was funded prior to the end of the 2021 legislative session.

Impact on the public: "(I)t is the public policy of the State to promote harmonious and cooperative relations between government and its employees and to protect the public by assuring effective and orderly operations of government. These policies are best

effectuated by (1) recognizing the right of public employees to organize for the purpose of collective bargaining, (2) requiring the public employers to negotiate with and enter into written agreements with exclusive representatives on matters of wages, hours, and other conditions of employment, while, at the same time, (3) maintaining merit principles and the principle of equal pay for equal work among state and county employees" (Section 89-1, Hawaii Revised Statutes).

Impact on the department and other agencies:
Pay raise and other negotiated cost items are not included in the departments' operating budget request.
