JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO THE STATE HIGHWAY SAFETY COUNCIL.

PURPOSE: To reduce the number of members of the State Highway Safety Council appointed by the Governor from twenty to ten.

MEANS: Amend section 286-5, Hawaii Revised Statutes.

JUSTIFICATION: The State Highway Safety Council advises the Governor on matters relating to the programs and activities of the State in the field of highway safety. Current membership of the council includes the Chief Justice, the Attorney General, the Director of Health, the Superintendent of Education, the President of the University of Hawaii or their designees, the chairperson of each of the county highway safety councils established under section 286-6, and not more than twenty other persons who are appointed by the Governor on the basis of their interest in highway safety.

There has been, however, difficulty finding a qualified and suitable number of qualified candidates to bring the number of the Governor's appointees to twenty, as authorized by law. The Department believes that the State Highway Safety Council could still function effectively and efficiently if the number of the Governor's appointees were reduced to ten. Reducing the number of members on the State Highway Safety Council that are appointed by the Governor from twenty to ten will not affect any sitting member and will enable the Council to achieve quorum and take action.
