
A BILL FOR AN ACT

RELATING TO TRANSPORTATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that illegal poaching and
2 extraction of marine species, rare corals, and fish for
3 commercial gain are serious problems in Hawaii and are
4 heightened by challenges in enforcing applicable laws. The
5 legislature believes that there is substantial interest in
6 protecting endangered marine species from those seeking non-
7 subsistence-based commercial gain. The legislature therefore
8 finds that the State must take action to stop illegal trophy
9 hunting, profiteering from endangered species, and illegal
10 extraction that impacts Hawaii's reefs.

11 The purpose of this Act is to prohibit the transportation
12 of certain marine species harvested from state waters to make
13 the enforcement of laws relating to the protection of marine
14 life and prevent the commercial exploitation of Hawaii's marine
15 ecosystems more efficient.

1 SECTION 2. Chapter 291, Hawaii Revised Statutes, is
2 amended by adding a new section to part I to be appropriately
3 designated and to read as follows:

4 "§291- Transport of marine life harvested for commercial
5 purposes; prohibition. (a) No person shall use a public road,
6 street, highway, or similar thoroughfare to transport:

7 (1) Endangered marine species harvested from the waters of
8 the State for commercial purposes; or

9 (2) Marine species harvested from the waters of the State
10 for commercial aquarium purposes.

11 (b) For the purposes of this section:

12 "Commercial" means for selling, offering for sale,
13 possessing with intent to sell, bartering, landing, or taking
14 any other actions for the purpose of profit or gain.

15 "Endangered marine species harvested from the waters of the
16 State" excludes species bred in captivity and species legally
17 purchased in a retail store."

18 SECTION 3. This Act does not affect rights and duties that
19 matured, penalties that were incurred, and proceedings that were
20 begun before its effective date.

21

1 SECTION 4. New statutory material is underscored.

2 SECTION 5. This Act shall take effect on July 1, 2022.

Report Title:

Marine Species; Harvesting; Commercial Purposes; State Roads

Description:

Prohibits any person from using a public road, street, highway, or similar thoroughfare to transport endangered marine species harvested from state waters for commercial purposes and marine species harvested from state waters for commercial aquarium purposes. (Proposed SD1)
