A BILL FOR AN ACT

RELATING TO THE NATIONAL SCHOOL LUNCH PROGRAM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the coronavirus
2 disease 2019 has shifted in-person learning in schools to hybrid
3 methods with distance learning and staggered schedules during
4 the week as well as critical changes to breakfast and lunch meal
5 distribution. As access to school meals are an important part
6 of a child's health and well-being at school, it is imperative
7 that the department of education utilizes every federal program
8 that provides free and reduced meals for students.

9 The legislature further finds that the department of
10 education foods services branch was able to secure and
11 distribute meals during the pandemic with the United States
12 Department of Agriculture National School Lunch Program Grab &
13 Go Meals at the schools' sites. Unfortunately, the department
14 of education's school foods services branch, which manages the
15 National School Lunch Program, provides administrative and
16 operational meal support for Hawai'i's public schools but not the
17 state charter schools. The legislature also finds that the

1 public and state charter schools in rural areas on the neighbor
2 islands require additional staff to support the National School
3 Lunch Program initiatives, promote effectiveness at the local
4 level with parents and teachers, and improve efficiency by
5 eliminating the delay in communication with the department of
6 education's school food services branch.

7 The purpose of this Act is to provide funding to the
8 department of education's school food services branch for full-
9 time equivalent positions and staff member positions at each
10 public and state charter school for the school food services
11 branch to manage the National School Lunch Program.

12 SECTION 2. There is appropriated out of the general
13 revenues of the State of Hawaii the sum of \$ or so
14 much thereof as may be necessary for fiscal year 2022-2023 for
15 the establishment of full-time equivalent (FTE)
16 positions within the department of education school food
17 services branch and staff member positions to be
18 placed at each public school to manage the National School Lunch
19 Program.

20 The sum appropriated shall be expended by the department of
21 education for the purposes of this Act.

1 SECTION 3. There is appropriated out of the general
 2 revenues of the State of Hawaii the sum of \$ or so
 3 much thereof as may be necessary for fiscal year 2022-2023 for
 4 the establishment of full-time equivalent (FTE)
 5 staff member positions to be placed at each state charter school
 6 to manage the National School Lunch Program.

7 The sum appropriated shall be expended by the state public
 8 charter school commission for the purposes of this Act.

9 SECTION 4. This Act shall take effect on July 1, 2022.

10

INTRODUCED BY:

A handwritten signature in black ink, appearing to read 'D.K.A.', is written over a horizontal line.

S.B. NO. 3291

Report Title:

National School Lunch Program; Department of Education; State Public Charter School Commission; Food Services Branch; Appropriation

Description:

Appropriates funds to the Department of Education and State Public Charter School Commission for full-time equivalent positions and staff member positions at each public and charter school to manage the National School Lunch Program.
