# SENATE CONCURRENT RESOLUTION

REQUESTING THE LEGISLATIVE REFERENCE BUREAU TO CONDUCT A STUDY  
ON THE FEASIBILITY OF THE STATE ESTABLISHING A UNIVERSAL,  
NO-COST PRE-KINDERGARTEN PROGRAM.

1           WHEREAS, there is an undisputed public benefit from  
2 substantial investment in high-quality, developmentally  
3 appropriate early learning programs; and  
4

5           WHEREAS, significant and continuing research affirms the  
6 positive effects of high-quality early learning programs on the  
7 physical, cognitive, linguistic, social, emotional, and economic  
8 outcomes of young children; and  
9

10          WHEREAS, longitudinal studies have also shown that high-  
11 quality early learning programs are especially effective for  
12 high-risk children, including low-income and otherwise  
13 disadvantaged children, with great potential to alter their  
14 lifetime trajectories; and  
15

16          WHEREAS, well-executed and well-targeted early learning  
17 programs have immediate and long-term benefits not only for the  
18 children participating in the programs but also for the  
19 societies in which they live, which boast higher levels of  
20 educational attainment; reduced homelessness, crime, and  
21 substance abuse; improved health; and better overall social and  
22 economic well-being; and  
23

24          WHEREAS, although there are pre-kindergarten education  
25 programs offered throughout the State, not all children have  
26 access to these programs, and the programs are cost-prohibitive  
27 for many families; and  
28

29          WHEREAS, a statewide, universal, no-cost pre-kindergarten  
30 program would ensure that every child in the State has equal and  
31 equitable access to early learning education; now, therefore,  
32
