SENATE CONCURRENT RESOLUTION

REQUESTING THE HAWAII HEALTH SYSTEMS CORPORATION TO CONVENE A
TASK FORCE TO IDENTIFY THE NEED AND, IF APPLICABLE, CONDUCT
A SITE ASSESSMENT FOR A NEW HOSPITAL IN NORTH KONA.

1 WHEREAS, the population of North Kona on the island of
2 Hawai'i has significantly increased over the last few years,
3 which has corresponded with a steady increase in the need for
4 convenient access to medical services; and

5
6 WHEREAS, today, the growing community of North Kona faces a
7 severe shortage of medical care and hospital services, and an
8 additional hospital in the North Kona community would provide
9 further benefit to the area; and

10
11 WHEREAS, the accelerated and shifting economic and
12 population growth in North Kona has created a regional urban
13 core that is inconveniently located a far distance from the Kona
14 Community Hospital, and the steep growth in population has
15 overwhelmed the facility's ninety-four bed capacity; and

16
17 WHEREAS, as the only hospital servicing residents in West
18 Hawai'i, Kona Community Hospital is located along a single-lane
19 roadway that is oftentimes gridlocked with traffic, increasing
20 the difficulty for emergency vehicles and those seeking care to
21 access the hospital quickly; and

22
23 WHEREAS, although there have been efforts to expand Kona
24 Community Hospital, improvements have been stalled due to the
25 facility's wastewater system, which has currently reached
26 capacity; and

27
28 WHEREAS, in addition to the logistical issues with the
29 location of the Kona Community Hospital, the coronavirus disease
30 2019 pandemic's effect on West Hawai'i has underscored concerns
31 with staffing shortages, which are further exacerbated by

1 medical professionals who are required to commute from the North
2 Kona area; and

3
4 WHEREAS, in 2021, the Senate offered Senate Concurrent
5 Resolution No. 53, Senate Draft 1, Regular Session of 2021,
6 which requested the Hawaii Health Systems Corporation to conduct
7 a feasibility study for construction of a hospital in North Kona
8 and an assessment of health care needs of the West Hawai'i
9 region; and

10
11 WHEREAS, in response to Senate Concurrent Resolution
12 No. 53, Senate Draft 1, the Hawaii Health Systems Corporation
13 has confirmed that it would complete the requested feasibility
14 study; and

15
16 WHEREAS, in response to Senate Concurrent Resolution
17 No. 53, Senate Draft 1, Community First Hawaii has confirmed
18 that it would complete an island-wide community health needs
19 assessment; and

20
21 WHEREAS, the findings from the Hawaii Health Systems
22 Corporation feasibility study and the community health needs
23 assessment conducted by Community First, Inc., a 501(c)(3)
24 nonprofit corporation in Hawaii will identify the need for a
25 hospital to serve North Kona; now, therefore,

26
27 BE IT RESOLVED by the Senate of the Thirty-first
28 Legislature of the State of Hawaii, Regular Session of 2022, the
29 House of Representatives concurring, that the Hawaii Health
30 Systems Corporation is requested to convene a task force to:

32 (1) Review the findings of the Hawaii Health Systems
33 Corporation's feasibility study as requested by Senate
34 Concurrent Resolution No. 53, Senate Draft 1, and
35 Community First, Inc.'s island-wide health care needs
36 assessment to identify the need for a hospital to
37 serve North Kona; and
38
39 (2) Collaborate and work with the Department of Land and
40 Natural Resources' Land Division to conduct a site
41 assessment to identify and evaluate viable locations

for a new hospital site in North Kona at the appropriate time; and

BE IT FURTHER RESOLVED that the task force is requested to include the following members or their designees:

- (1) A member of the Senate appointed by the President of the Senate;

BE IT FURTHER RESOLVED that the Regional Chief Executive Officer of the Hawaii Health Systems Corporation, West Hawaii Region, or the Regional Chief Executive Officer's designee is requested to serve as the chairperson of the task force; and

BE IT FURTHER RESOLVED that an initial meeting of the task force is requested to be held no later than June 1, 2022; and

BE IT FURTHER RESOLVED that the task force, with the assistance of the Hawaii Health Systems Corporation, is requested to submit a report of its findings and

1 recommendations, including any proposed legislation, to the
2 Legislature no later than twenty days prior to the convening of
3 the Regular Session of 2023; and

4
5 BE IT FURTHER RESOLVED that the task force is requested to
6 be dissolved on June 30, 2023; and
