## SENATE RESOLUTION

---

DENOUNCING RUSSIA'S ACTIONS CAUSING A HUMANITARIAN CRISIS IN  
UKRAINE AND URGING THE UNITED STATES CONGRESS TO TAKE  
CONCRETE ACTION TO SUPPORT UKRAINIAN REFUGEES AND TO  
INCREASE THE REFUGEE LIMITS FOR THE UNITED STATES AND  
INCREASE FUNDING RELATED TO THOSE EFFORTS.

1           WHEREAS, the Russian invasion of Ukraine has prompted two  
2 million Ukrainians to flee the country as of March 8, 2022, and  
3 the number is expected to grow even higher as Russia continues  
4 its siege tactics of indiscriminately bombing cities; and  
5

6           WHEREAS, in only the first week of the conflict, more than  
7 one million people had fled Ukraine, in comparison it took over  
8 two years for that many people to leave Syria; and  
9

10           WHEREAS, as of March 8, 2022, the 2022 invasion of Ukraine  
11 by Russia has caused at least 1,335 civilian casualties in  
12 Ukraine, according to the United Nations Office of the High  
13 Commissioner for Human Rights; and  
14

15           WHEREAS, the United Nations Office of the High Commissioner  
16 for Human Rights' statistics are based off confirmable  
17 casualties, the number is likely several times higher as many of  
18 Ukraine's largest cities under control of the Ukrainian  
19 government are subject to relentless bombing campaigns from  
20 long-distance artillery as well as air strikes from the Russian  
21 military and it is difficult if not impossible to confirm some  
22 of the deaths; and  
23

24           WHEREAS, Russia has begun to use siege style tactics where  
25 cities are surrounded from all sides and shelled repeatedly,  
26 such as in the port town of Mariupol, and while Russia has  
27 promised to open civilian corridors to allow for civilians to  
28 leave these cities, several times when they have done so they  
29 have broken the ceasefire and shelled the civilian corridors  
30 resulting in civilian casualties; and  
31

32           WHEREAS, for many of the civilians living in these areas,  
33 staying in their homes is not an option as intense bombing

1 campaigns by Russia have caused water, power, and energy  
2 disruptions, leaving these civilians stuck in homes with no  
3 electricity, running water, or heat in freezing temperatures;  
4 and

5  
6 WHEREAS, many of these civilians have fled from areas of  
7 the country with most of the fighting such as the north, east,  
8 and south, and have headed to the western part of the country  
9 which has been relatively untouched by the fighting; and

10  
11 WHEREAS, cities such as Lviv in the western part of Ukraine  
12 near its borders with the European Union are bursting at the  
13 seams with refugees, and its mayor Andriy Sadovyi has requested  
14 international help as the city is currently housing two hundred  
15 fifty thousand refugees from other parts of Ukraine, and at  
16 least fifty thousand people transit through its railway stations  
17 a day; and

18  
19 WHEREAS, the vast majority of refugees are women, children,  
20 and the elderly as Ukraine has banned men ages eighteen to sixty  
21 from leaving the country due to a mass mobilization of soldiers;  
22 and

23  
24 WHEREAS, according to the United Nations High Commissioner  
25 for Refugees, as of March 8, 2022, Poland has received 1,204,403  
26 refugees, Hungary has received 191,348 refugees, Romania has  
27 received 143,000 refugees, Slovakia has received 140,745  
28 refugees, the Czech Republic has received more than one hundred  
29 thousand refugees, and Moldova has received 82,762 refugees,  
30 with other countries receiving fewer refugees; and

31  
32 WHEREAS, countries such as Moldova, which is one of the  
33 poorest countries in Europe, need more international support to  
34 deal with the large number of refugees crossing the border from  
35 Ukraine; and

36  
37 WHEREAS, the United States needs to take more concrete  
38 steps to help Ukrainian refugees such as increasing humanitarian  
39 aid to western parts of Ukraine that are dealing with an influx  
40 of refugees from the other parts of the country and countries  
41 dealing with large numbers of Ukrainian refugees; and

42

1           WHEREAS, recognizing that the United States has taken some  
2 steps towards helping the refugee crisis, such as allowing  
3 Ukrainians who arrived in the United States on or prior to  
4 March 1, 2022, to apply for temporary protected status; and  
5

6           WHEREAS, the United States should further help by taking in  
7 refugees from Ukraine, similar to how refugees from Afghanistan  
8 were taken in, and the United States should also increase the  
9 limit of how many refugees it can take in to allow for the  
10 resettlement of Ukrainians; and  
11

12           WHEREAS, more help should be given to the Ukrainian  
13 government and countries housing refugees as soon as possible,  
14 and plans should be made on how to deal with this crisis in the  
15 longer term as there does not seem to be an end in sight; now,  
16 therefore,  
17

18           BE IT RESOLVED by the Senate of the Thirty-first  
19 Legislature of the State of Hawaii, Regular Session of 2022,  
20 that this body strongly and forcefully denounces the Russian  
21 Federation and its President Vladimir Putin for the blatant  
22 targeting of civilians by the Russian military and the  
23 destruction of civilian infrastructure, which makes evacuating  
24 civilians from the warzone even more difficult; and  
25

26           BE IT FURTHER RESOLVED that this body urges the United  
27 States Congress to take concrete actions to help with the  
28 refugee crisis facing Ukraine and its European neighbors by  
29 increasing material support to refugees, both those internally  
30 displaced, such as those who have fled to the relatively safe  
31 western part of Ukraine, and those who have fled the country, by  
32 sending monetary support and supplies to Ukraine and its  
33 neighbors who have accepted large numbers of refugees; and  
34

35           BE IT FURTHER RESOLVED the United States President and  
36 Congress are urged to take an active role in assisting the  
37 crisis by raising the U.S. Refugee Admissions and Refugee  
38 Resettlement Ceilings, making a stronger effort at resettling  
39 more Ukrainian refugees into the United States, and allocating  
40 more funding in order to support those efforts; and  
41

# S.R. NO. 178

2 Resolution be transmitted to the President of the United States,  
3 Speaker of the United States House of Representatives, President  
4 Pro Tempore of the United States Senate, all members of Hawaii's  
5 congressional delegation, Governor, and mayors of each county.
