SENATE RESOLUTION

REQUESTING THE DEPARTMENT OF HEALTH TO EXAMINE ISSUES AND BARRIERS TO ENFORCEMENT TO REDUCE NOISE FROM TWO-STROKE ENGINES, MOPEDS, AND SMALL OFF-ROAD ENGINES AND MAKE RECOMMENDATIONS TO THE LEGISLATURE TO HELP REDUCE NOISE POLLUTION FROM THESE SOURCES.

1 WHEREAS, noise pollution is a serious, prevalent, and
2 increasing problem affecting peace, tranquility, and quality of
3 life in the State, particularly in urban areas, but also in
4 suburban and rural areas; and

5
6 WHEREAS, Hawaii residents should not be exposed to noise
7 pollution that is hazardous to their health or welfare as
8 excessively loud and unabated noises can result in
9 physiological, psychological, and economic damage; and

10
11 WHEREAS, efforts to protect this right have been codified
12 under chapter 342F, Hawaii Revised Statutes, and in chapter 11-
13 46, Hawaii Administrative Rules; and

14
15 WHEREAS, in addition, section 46-17, Hawaii Revised
16 Statutes, authorizes any county to adopt ordinances regulating
17 noise, among other things; and

18
19 WHEREAS, existing regulatory measures lack effective
20 enforcement and do not adequately address noise pollution; and

21
22 WHEREAS, loud two-stroke engines, such as internal
23 combustion engine mopeds, are significant contributors that have
24 raised ongoing concerns in communities throughout the State; and

25
26 WHEREAS, mopeds and other motor vehicles with after-market
27 modifications to engine or exhaust systems are often many times
28 louder than what is allowable; and

29
30 WHEREAS, small off-road engines, which are used primarily
31 in lawn and garden equipment, can also emit excessive noise; and
32

1 WHEREAS, excessively loud vehicles and small off-road
2 engines such as leaf blowers and other lawn and garden equipment
3 are difficult to regulate because of the mobile and dispersed
4 nature of this type of equipment; now, therefore,

5
6 BE IT RESOLVED by the Senate of the Thirty-first
7 Legislature of the State of Hawaii, Regular Session of 2022,
8 that the Department of Health is requested to examine issues and
9 barriers to enforcement of restrictions to reduce noise
10 pollution, including the possibility of funding commercial
11 rebates or similar incentive funding to support the transition
12 to quieter operations by zero-emissions mopeds and small off-
13 road equipment; and

14
15 BE IT FURTHER RESOLVED that the Department of Health is
16 requested to prepare and submit a report of its findings and
17 recommendations, including any proposed legislation, to the
18 Legislature no later than thirty days prior to the convening of
19 the Regular Session of 2023; and

20
21 BE IT FURTHER RESOLVED that a certified copy of this
22 Resolution be transmitted to the Director of Health.
