

STAND. COM. REP. NO. 3452

Honolulu, Hawaii

MAR 24 2022

RE: H.B. No. 1759
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2022
State of Hawaii

Sir:

Your Committees on Judiciary and Human Services, to which was referred H.B. No. 1759 entitled:

"A BILL FOR AN ACT RELATING TO LEGAL SERVICES FOR LOW-INCOME IMMIGRANTS,"

beg leave to report as follows:

The purpose and intent of this measure is to appropriate funds to the Judiciary to contract with non-profit organizations to provide legal counsel and assistance to low-income immigrants.

Your Committees received testimony in support of this measure from the Judiciary, Department of Human Services, Department of Labor and Industrial Relations Office of Community Services, Hawai'i Friends of Civil Rights, Hawai'i Coalition for Immigrant Rights, The Legal Clinic, Americans for Democratic Action Hawai'i, Catholic Charities Hawai'i, and two individuals. Your Committees received testimony in opposition to this measure from one individual. Your Committees received comments on this measure from the Department of Budget and Finance.

Your Committees find that laws governing immigration are complex and not easily navigable without legal expertise. Additionally, Hawaii is currently experiencing a critical shortage of low-income legal service providers, which compounds many immigrants' barriers to obtaining assistance with immigration law matters and other civil legal needs. A number of recent working

groups have recommended increasing funding for civil legal services for Hawaii's low-income residents. Despite the significant contributions made by immigrants to the State's gross domestic product, immigration legal services remain prohibitively expensive for low- to moderate-income immigrants, which can further impact their abilities regarding employment, permanent and safe housing, and a number of other services that may include immigration matters. Statistics further indicate having legal counsel in immigration proceedings often makes a difference between whether an individual is allowed to remain safely in the United States or be deported to harmful circumstances or permanently separated from their family. Accordingly, this measure will help fill a critical gap in services for the low-income immigrant members of communities in the State.

Your Committees have amended this measure by:

- (1) Clarifying that the appropriated funds are for the Judiciary to contract with non-profit organizations to provide legal counsel and assistance to low-income immigrants and residents from nations comprising the Compact of Free Association in immigration proceedings, including deportation defense and asylum, and for any other immigration related legal issues;
- (2) Inserting a \$250,000 appropriation amount; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Judiciary and Human Services that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 1759, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 1759, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Judiciary and
Human Services,
