Your Committee received testimony in support of this measure from the Department of Hawaiian Home Lands, Hawaii State Energy Office, Sustainable Energy Hawai'i, and two individuals. Your Committee received testimony in opposition to this measure from two individuals. Your Committee received comments on this measure from the Department of Budget and Finance.

Your Committee finds that one of the five objectives of the Department of Hawaiian Home Lands' Energy Policy is to facilitate the use of diverse renewable energy resources. Specific activities noted in the policy include identifying properties in the Department of Hawaiian Home Lands' land inventory that have potential for renewable energy projects and pursuing the leasing of those lands. Your Committee finds that investigation,
