SENATE AND HOUSE COMMITTEES TO HOLD INFORMATIONAL BRIEFING ON INVASIVE SPECIES

Honolulu, Hawai'i — The Senate Committees on Agriculture & Environment, Water & Land and the House Committees on Energy & Environmental Protection, Agriculture and Water & Land will hold a joint informational briefing to receive an update on the state's efforts to address threats posed by invasive species and to learn more about what challenges are expected amid the COVID-19 pandemic.

The briefing will be held on Monday, January 25, 2021 at 1:00pm via Zoom.

The committees will be meeting with the following agencies:

- Department of Agriculture
- Department of Land and Natural Resources
- University of Hawai'i – College of Tropical Agriculture and Human Resources

Because the building is closed to the public during the ongoing COVID-19 pandemic, the briefing will be streamed online on the [Senate YouTube Channel](#).
