Chair, Senate Committee on Ways and Means

Re: **Request for Information on Utilization of Current Staff**

Dear Chair Dela Cruz:

In response to the inquiry from the Senate Special Committee on COVID-19 dated April 13, 2020 regarding utilization of current staff, the University of Hawai'i (University) provides the following response.

Pursuant to Governor Ige's Third Supplementary Proclamation issued on March 23, 2020, essential businesses or operations include Educational Institutions, "including public and private pre-K-12 schools, colleges, and universities." As an essential business or operation, the University has focused its efforts on completing the Spring 2020 semester across its ten campuses, with practically all employees either reporting to work or teleworking.

Please find attached a report that accounts for the status of all University employees of 0.5 FTE or greater **on Friday April 17, 2020**. The information is generated from the University's online leave record system that reflects an employee's work status on a day-to-day basis. Many employees work between home and campus over the course of a day or more; however, any employee who reported more than 1 hour of working from home on April 17, 2020, was designed as "Essential (Telecommuting)."

Should there be any further questions, please do not hesitate to contact me at 956-9704 or by email at david@hawaii.edu. For additional assistance, you may also contact Vice President for Administration, Jan Gouveia, at 956-6405 or jgouveia@hawaii.edu.

Sincerely,

A handwritten signature of David Lassner in black ink.
