At 4:30 pm, before the Town Hall Meeting, you are invited to visit the Makiki evening Farmers’ Market that takes place every Thursday, 4:30-7:30 pm, on the grounds of St. Clement’s Church. Pick up a dinner plate or a light snack, and join us in the Parish Hall with our special guests.

Because of the Farmers’ Market, no parking is available on church grounds, and street parking is limited, so walking, biking, carpooling, or busing is encouraged!

This Earth Day 2011 event is sponsored by Representative Della Au Belatti.
