

State Representative  
& Chair of Agriculture

## Richard Creagan

State Capitol Room 331  
415 South Beretania Street  
Honolulu, HI 96813

### E-SUBSCRIBE

One of my continuing goals is to establish a more expedited way of being available to you.

I know we all receive many email requests, but if you would consider subscribing to my e-communications, it would really help me to both **update** you and **get your opinion** on a more timely basis.

I need you as a sounding board and hope this method of communication will enable us to dialogue more effectively.
