Do you have Unclaimed Property?

Dear District 13 Ohana,

Did you know State of Hawaii holds unclaimed property as a custodian for the rightful owner?
Have you checked to see if you have Unclaimed Property?

Many of us do and don't even realize it. Some have a few cents to a few hundred or even a few thousand Dollars \$\$\$\$. It is very easy to check and you can do it yourself from home.

Please use the information on this card to check to see if you, your family members or even your business/organization (past or present) have any Unclaimed property. The list is updated every year. If you do have unclaimed property is it very easy to fill out the forms and get them turned to the Unclaimed Property office. No fees and no lawyers needed.

Feel free to contact my office if you have any questions or if I can be of service to you.

About Unclaimed Property:

The State of Hawaii Unclaimed Property Law requires “holders” such as corporations, financial institutions, insurance companies, and business associations to **annually** report and deliver abandoned property to the Unclaimed Property Program.

The State of Hawaii holds unclaimed property as a custodian for the rightful owner. The State Unclaimed Property Program publishes a statewide notice annually, listing owner names and last known addresses of abandoned property escheated to the State. The public is encouraged to search for unclaimed property on the State’s internet name search database.

EXAMPLES OF UNCLAIMED PROPERTY ARE:

- Contents of safe deposit boxes
- Deposits held by utility companies
- Dormant savings and checking accounts
- Insurance and medical refunds
