We will get through this together!

SITE VISIT WITH U.S. CONGRESSMAN KAI KAHELE!

Hawai'i State House District 43

Representative Eli and U.S. Congressman Kai Kahele visited Ma'ō Organic Farms and Wai'anae Coast Comprehensive Health Center.

At Ma'ō Organic Farms we were able to see the amazing work they are doing to promote sustainable health and agriculture.

They have done a wonderful job empowering our youth to succeed in college as well as secure sustainable careers in agriculture.

We also met with members of the Kupuna Council, board members and the leadership team at Wai'anae Coast Comprehensive Health Center. We were able to talk with emergency room staff and they shared about their experiences and concerns as it relates to COVID-19 and addressing the needs of our community. We also discussed the health and wellness of the Leeward Coast and the work of WCCHC.

Both site visits allowed for sharing and listening on our part and to identify opportunities for the support of the State and Federal Government.

Blessing & Grand Opening of Ho'ohua Early Learning Organization

On October 30th at Pu'u Heleakala Recreation Center, the Ho'ohua Early Learning Organization held their blessing and grand opening for community members. Kumu Naholowaa & Kumu Sherry Tupua were in the Helelua Community talking with families about pre-school. The pre-school opened November 1st for keiki ages 2 to 5. It was wonderful to see kupuna, makua and keiki excited to start school!
