Aloha Friends:

I hope that you and your families are doing well. It is hard to believe that spring is here.

Congratulations to Ashley Cobbs, Nevyn Tyau, Jamie Valdez and David Zerba for being selected as the inaugural class of the Maunakea Scholars Program. They will have an opportunity to travel to the Maunakea Observatories and complete their project proposals using the telescopes at the observatory and the computer systems of the telescope headquarters in Waimea. Also, congratulations to Angelica Devers for placing 1st in the Hawaii: Next 50 contest. This contest challenges local youth to become stakeholders in our state's future by considering what we can do to make Hawaii the best place to live, work and play. I am very proud of all our students.

Thank you for the honor and privilege of serving as your state representative in the Hawaii State Legislature. Should you have any questions, comments, or concerns, please feel free to contact me at 586-8500, or via email at rephar@capitol.hawaii.gov.
