Aloha Friends and Neighbors,

I will be attending the Asian Pacific American Institute for Congressional Studies Leadership Academy during the second week of May. Over 1000 leaders in the Asian American and Pacific Islander community are expected to gather in Washington, D.C. for this year's National Leadership Academy, which provides public officials and emerging leaders with intensive training to help us to excel in our field. The training will be held in conjunction with the National Asian Pacific American Caucus of State Legislators (NAPACSL) and the Asian Pacific American Municipal Officials (APAMO) of the National League of Cities.

As we near the closing of this year's legislative session, I would like to thank you for the privilege of serving you in the State House. I am truly honored to represent our community as a member of the State House of Representatives and will continue to work to improve our quality of life after session is adjourned.

If you have any comments or concerns, please feel free to contact me. I look forward to hearing from you.

Thank you very much,

Linda Ichiyama
