City park repaving efforts progress to town locations

O'AHU – The third round of parking lot and roadway repaving in your City parks is scheduled to begin next week. This particular effort will start at Petrie Community Park in Kaimukī, then progress to the canal-side of Wai'alaē Beach park in Kāhala before finishing at Kīlauea District Park. All work is expected to be finished by the end of February 2022. The below timetable details the work scheduled, including the parking lot closures and cost of the particular project.

PARK LOCATION	Petrie Community Park	Wai'alaē Beach Park	Kīlauea District Park
SCHEDULED CLOSURE	Feb. 7 – Feb. 8	Feb. 7 – Feb. 12	Feb. 14 – Feb. 25
WORK COST	\$17,500	\$61,350	\$116,300

The \$195,150 contract for this round of repaving was awarded to O'ahu Sealcoating and Paving.

Each of the parking lots will be closed at their entrance/exit while work is being conducted. If work is completed earlier than scheduled public access will be restored at that time. However, the work schedule is dependent on weather conditions.

The repaving work includes removal of old asphalt and installation of a new layer (cold planning) and restriping stall lines.

We appreciate the patience and understanding of park users and the surrounding neighborhoods as these parking lots are closed for renovation.

If you need an auxiliary aid/service, other accommodations due to a disability, or an interpreter for a language other than English in reference to this announcement, please contact the Honolulu Department of Parks and Recreation at (808) 768-3003 on weekdays from 7:45 a.m. until 4:30 p.m. or email parks@honolulu.gov

2022 Hawai'i Directory of Public Officials

It's been nearly two years since the start of the COVID-19 pandemic began, and its impacts are still being felt throughout the community. Now, more than ever, it's important that voters have their voices heard on issues that directly impact them.

With today's start of the 2022 legislative session, PRP has produced the 2022 Hawaii Directory of Public Officials and updated the KAKOU app, a digital version of the directory. This important tool makes it easy for you to connect with your elected officials and stay engaged during the legislative session. Despite the limitations for in-person opportunities to testify or meet your elected officials, there are other ways to make sure your voice is heard.

You can request a free printed or digital copy of the directory at info.prphawaii.com/kakou22 or download the KAKOU app through the QR code.
