

FEBRUARY 2021

Rep. Lisa MARTEN

State House District 51

Waimānalo • Enchanted Lake • Lanikai • Pohakupu

Aloha Neighbors,

A big mahalo to those who filled out the survey – knowing what is important to you helps me know what to work on.

Would you like to testify on legislation that is important to you? We are here to help.

Do you know someone who is 75 years or older that needs help registering for a COVID-19 vaccine? We are here to help.

I am busy with session, but am still helping individual community members negotiate State services. We are here to help.

With warmest aloha,

Rep. Lisa Marten
