SENATOR WILL ESPERO

Vice President of the Senate

Committee on Public Safety, Intergovernmental and
Military Affairs, Chair

Aloha,

After representing Ewa Beach for 15 years in the State Legislature, I was selected by my colleagues to be the Vice-President of the Senate. In addition to this new leadership position, I will continue as chairman of the Committee on Public Safety, Intergovernmental and Military Affairs.

With the legislative session beginning January 21st, I will continue working on issues that are most important to the people of our district and the people of Hawaii. Job creation, affordable housing, domestic violence, government accountability and reform and the creation of a high-technology aerospace industry will remain my top priorities. I will also serve as a member on the Committee on Transportation, Committee on Economic Development & Technology and the Committee on Judiciary and Labor.

I look forward to hearing from you throughout session and encourage you to share your thoughts.

As always, feel free to contact me at 586-6360 if you have any questions or comments.

Mahalo,

Will Espero

Distinguished James Campbell High School Teacher Retires

Senator Espero surprised **Ms. Caroline Young** with a honorary certificate from the Hawaii State Senate. Ms. Young is a beloved science teacher at James Campbell who is noted for her 39 years of service to our community's keiki. Throughout her career, Ms. Young brought energy and innovation to the classroom. She is known by her peers as a crea-

tive leader in the BLEACH SLC (smaller learning community) model and has brought fresh ideas to the classroom by teaching students the science of food via molecular gastronomy with the help of Hawaii's most famed chefs. Students, faculty and the entire West Oahu community will miss her Aloha in the classroom.

New Public Park Opens For Ewa Beach Community

The grand opening of the **Ocean Pointe community park** was met with great excitement by leaders and the community. The 18.75 acre park was designed and paid for by Haseko Development, Inc. The fulfillment of this public-private partnership was based on Haseko's promise to improve the lives of all of Ewa's residents. With over \$5,000,000 of

investments made to the park, it promises to provide generations of families a safe place to play. Pictured are Councilmembers Menor and Pine, Mayor Caldwell, Senator Espero, and Representative Lopresti.
