Report to the Pearl City Neighborhood Board September 2021

Dear Neighbor,

Over these past several weeks, we have been faced with a crisis in our healthcare systems statewide. We need to do all we can to reduce the spread in our communities, so I urge you and our fellow neighbors to get vaccinated and keep up to date with all that is being done within our state related to COVID-19.

A few weeks ago, I participated in a site visit to the newly retrofitted Clarence T.C. Ching Athletic Field at the University of Hawai'i at Mānoa. We met with the UH Athletics Director David Matlin and toured the new facility. For more information, please see page 4 of this report.

On Saturday, September 11, our office coordinated the inaugural "Senate District 16 Virtual Gratitude Prayer Rally" to commemorate the 20th Anniversary of the 9/11 terrorist attacks. We brought together various houses of worship and interfaith organizations from our community to offer a prayer or message of unity and hope. Mahalo to all those who participated or watched our event. For more information, see page 5 of this report.

I hope you will find the rest of our monthly report resourceful. As always, please let me know if there are any issues you see facing our community that I can help to address. Mahalo for the opportunity to serve you.

Very Truly Yours,

Senator Bennette E. Misalucha
Senate District 16

Governor David Ige Announces Hawaii SMART Health Card

In his September 8, 2021 press conference, Governor David Ige and Doug Murdock, Chief Information Officer of the Office of Enterprise Technology Services, unveiled the state's Hawaii SMART Health Card, a voluntary program designed in light of efforts to stop the rising new COVID-19 cases. "Participation in the SMART Health Card program is purely voluntary, but it aims to make it easier and more convenient for patrons to present proof of vaccination at restaurants, gyms, other businesses and establishments that require it," said Governor Ige. 8. Your QR Code will be available for display in the Hawaii SMART Health Card section of the Safe Travels platform.
