## Report to the Pearl City Neighborhood Board No. 21 June 2022

Dear Neighbor,

We are almost at the halfway point of the year, and here at the Capitol, Governor David Ige has until June 27 to notify the Legislature if he intends to veto a bill and deliver the veto by July 12, 2022. If the Governor signs the bill by that date, then the bill becomes law and it is assigned an Act number. I have more details on the process in this report.

On June 20 and 21, the Senate convened in a special session to consider three Judicial nominations for the District Family Court of the Third and Fifth Circuit. All three nominees were confirmed. For more information on the Special Session, click here:

Earlier this month, I mailed out our 2022 Session Newsletter but you can also retrieve it here at:

During the interim, I hope you will keep in touch and please share any ideas with me on how we can make our community better. As always, if there is any way I can assist you with any concerns, please let me know at (808) 586-6230 or email me at [senmisalucha@capitol.hawaii.gov](mailto:senmisalucha@capitol.hawaii.gov).

At Your Service,

Senator Bennette E. Misalucha

## COMMUNITY UPDATES

### **Scam Alert**

Scammers are impersonating state and federal officials and are taking the deception one step further by spoofing the state Department of Commerce and Consumer Affairs' (DCCA) Professional and Vocational and Licensing Division's phone number on caller ID to make the call more convincing. The scam involves intimidating the licensee into divulging personal information, accepting information through a fax machine, and/or wiring funds internationally for fees, by claiming that an out-of-state incident involving their license has placed their license in jeopardy, and that they are under investigation by both the State and Department of Justice. The Professional and Vocational Licensing Division recently received reports of fake calls to a licensed massage therapist and dentist using the Licensing Branch phone number.
