On Measure GM 562 –  
Confirmation of Jared Redulla to LESB – **Written Testimony in Support**

Chair Nishihara and Members of the Committee:

I write in **SUPPORT** for the confirmation of Jared Redulla to the Law Enforcement Standards Board (“LESB”).

While I write in my individual capacity, I have worked closely with Jared in my professional capacity as a Deputy Prosecuting Attorney and later as a Deputy Attorney General. In my experience with Jared, he has shown nothing but professionalism and diligence. More importantly, while being an advocate for public safety, I am most impressed by Jared’s ability to be fair and to see the big picture. Jared is also very well-versed in criminal procedure, law enforcement standards, and he even keeps up-to-date with the latest case law.

With his vast experience and his great capabilities, I have no doubt that Jared will be a tremendous asset to LESB. I support the confirmation of Jared to LESB without any reservations. Thank you for the opportunity to testify.

Respectfully,

Cheuk Fu Lui

Re: GM636- Submitting for consideration and confirmation to the Law Enforcement Standards Board, Gubernatorial Nominee, Jared Redulla, for a term to expire on 06-30-2024

Dear Senator Rosalyn Baker:

I am writing in strong support of GM636, which nominates Jared Redulla to the Law Enforcement Standards Board. I met Jared 15 years ago while he worked as a Supervisor and Field Investigator for the Narcotics Enforcement Division. As a pharmacy manager, I relied on his expertise of narcotic laws as well as various current situations that were impacting our profession and community. I am currently on the board of pharmacy and work with Jared in this capacity. Over the years, we've worked together on various investigations, board of pharmacy working groups and changes to both NED and the pharmacy profession. Jared's working knowledge with physicians, law enforcement, hospital administration, legislators and other state agencies has provided the board of pharmacy with different perspectives when we were presented with issues or legislation proposals. I have learned completely different points of views to our professional issues and the mutual respect we have for one another allows us to collaborate and work toward the common goal of public safety. Jared's years of expertise also provides us historical perspective so we can effectively work through new laws and regulations that evolve with the ever-changing healthcare professions.

More paramount than Jared's knowledge, is his reliability and his commitment to law enforcement. Over the years, I have worked with Jared at all hours of the day and all days of the week. I could trust that Jared would respond quickly and he would follow through on any issues. His hard work was recognized in his department as he was promoted to their director position several years ago. Jared's 25 years in public service shows his dedication to the state of Hawaii and this board position will give him another opportunity to volunteer his time and provide his expertise to help the community in another role.

If you need more information, you can telephone me at 808-263-5060. Thank you for the opportunity and privilege to submit testimony.

Sincerely,

Alanna Isobe

Dear Senate President Kouchi and Members of the Senate,

I am writing in support of Jared Redulla for the Law Enforcement Standards Board for the term that is to expire on June 30, 2024.

I was a Supervising Special Agent that recently retired from the State of Hawaii, Department of Public Safety, Narcotics Enforcement Division (NED). During my time, with NED, I worked with and for Mr. Redulla. He has a wealth of training, education, and experience in regards to law operations. He has conducted and supervised criminal and administrative investigations as an investigator and a supervisor and for the past several years has provided overall direction for NED as the Division Administrator.

Mr. Redulla has worked with Federal, State and Local Law Enforcement Agencies and is well versed in Law Enforcement Operations on all levels of government. He has wealth of experience as a frontline investigator and supervisor, as well as in management of multi-jurisdictional operations.

I believe that Mr. Jared Redulla would be a great asset to the Law Enforcement Standards Board.

Thank you for the opportunity to provide this written testimony.

Dean Yamamoto  
Supervising Special Agent (Retired)  
Narcotics Enforcement Division
