As a resident of Ma'ili Village on the West Side, I 100% the funding and establishment of a HPD Office that will better serve our community. I utilize Honolulu.gov app "311" extensively to report abandon vehicles, drug activity, homelessness, illegal campers, illegal dumping of trash, I walk the community everyday, I absolutely appreciate the support the HPD out of the Waianae Office provide our community but I also understand the limitations placed on the existing office that extremely undermanned.

i 100% support the funding and establishment of an additional HPD office on the Waianae Coast. I hope each member casts a vote in favor of this bill.

Comments:

With the growing community and increasing homeless issues, there is a greater need to have an established and focused policing effort on the leeward side.
