Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on 7/7/2022, the following bill was signed into law:

SB2457 SD1 HD1 CD1

RELATING TO IMMIGRANT RESOURCE CENTERS.

ACT 256

Sincerely,

DAVID Y. IGE

Governor, State of Hawai'i

on _____ THE SENATE THIRTY-FIRST LEGISLATURE, 2022 STATE OF HAWAII ACT 256 S.B. NO. S.D. 1 H.D. 1 C.D. 1

A BILL FOR AN ACT

RELATING TO IMMIGRANT RESOURCE CENTERS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

- 1 SECTION 1. The legislature finds that Hawaii has a long
- 2 history of welcoming immigrants. These immigrants and their
- 3 children have made, and continue to make, significant
- 4 contributions to the State. Immigrants continue to play a vital
- 5 role in Hawaii's economy, workforce, and community.
- 6 The legislature further finds that immigrants make up
- 7 approximately two hundred fifty thousand members, or eighteen
- 8 per cent, of Hawaii's population, including one hundred forty-
- 9 five thousand persons who are naturalized citizens. Immigrants
- 10 make up forty per cent of agricultural workers, thirty-three per
- 11 cent of tourism and hospitality workers, and twenty-three per
- 12 cent of health care workers in the State. Despite these
- 13 numbers, many immigrants face barriers to success, including
- 14 discrimination, cultural misunderstanding, and lack of language
- 15 access to government information and services. Immigrants are
- 16 family, neighbors, co-workers, business owners, and
- 17 professionals. The legislature finds that recent immigrants and
- 18 naturalized citizens need and deserve access to government 2022-3056 SB2457 CD1 SMA.doc

- 1 services so that they may fully participate in and contribute to
- 2 our community.
- 3 The legislature also finds that in 1985, the legislature
- 4 established the office of community services. The office of
- 5 community services' legislative mandate and mission is to serve
- 6 low-income individuals, immigrants, and refugees. In
- 7 establishing the office of community services, the legislature
- 8 effectively consolidated four anti-poverty agencies
- 9 administering state and federal funds: the office of the
- 10 progressive neighborhoods program, the Hawaii office of economic
- 11 opportunity, the refugee resettlement program, and the state
- 12 immigrant services center. Previously, the state immigrant
- 13 services center was a part of the governor's office, and it
- 14 received significant funding and staffing to serve immigrants
- 15 and refugees before its consolidation and establishment as an
- 16 agency attached to the department of labor and industrial
- 17 relations.
- 18 The legislature believes that the director and staff of the
- 19 office of community services have successfully served low-income
- 20 families and communities by administering millions of dollars in
- 21 federal funds and grants-in-aid. Immigrants and refugees can

- 1 also benefit from these services, but these programs do not
- 2 address the needs of immigrants and refugees who have limited
- 3 English proficiency or who are unfamiliar with government
- 4 regulations and benefits. House Concurrent Resolution No. 169,
- 5 Regular Session of 2021, requested a report on ways to "improve
- 6 access to government services for immigrants and increase
- 7 immigrant opportunities to make civic and economic contributions
- 8 to the community." Community groups noted that the office of
- 9 community services is the primary state agency to serve
- 10 immigrants and that there is a need for a dedicated staff
- 11 assigned to address immigrant and refugee matters and reinstate
- 12 immigrant resource centers. Unfortunately, funding for the
- 13 office of community services was previously reduced by
- 14 approximately \$700,000, and immigrant resource centers have not
- 15 been available for years.
- 16 The legislature also believes that it is the State's
- 17 responsibility to enforce laws and provide programs to benefit
- 18 the State. Among the groups that face barriers to equal access
- 19 to services are those with limited English proficiency. Staff
- 20 and additional resources are needed so that the office of

- 1 community services may meet its legislative mandate and mission
- 2 to serve low-income individuals, immigrants, and refugees.
- 3 Accordingly, the purpose of this Act is to appropriate
- 4 funds for the office of community services so that the office
- 5 may fund immigrant resource centers with an outreach component.
- 6 SECTION 2. There is appropriated out of the general
- 7 revenues of the State of Hawaii the sum of \$1,000,000 or so much
- 8 thereof as may be necessary for fiscal year 2022-2023 for the
- 9 office of community services to restore funding for immigrant
- 10 resource centers for the purpose of providing staff and
- 11 resources to assist immigrant and refugee populations throughout
- 12 the State; provided that the office of community services shall
- 13 include an outreach component in the services it provides.
- 14 The sum appropriated shall be expended by the department of
- 15 labor and industrial relations for the purposes of this Act.
- 16 SECTION 3. This Act shall take effect on July 1, 2022.
