
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is very
2 challenging to provide quality education for Hawaii's students
3 while dealing with a chronic teacher shortage. The teacher
4 shortage in the State has been exacerbated by the COVID-19
5 pandemic, which has caused further staffing shortages in the
6 teaching workforce. Many teachers have stayed home from work
7 because they have tested positive for COVID-19, are awaiting
8 test results to confirm whether they are positive for COVID-19,
9 or have to take care of loved ones who are sick with COVID-19.

10 The legislature further finds that many teachers also
11 retired during the 2020-2021 academic year. According to data
12 provided by the department of education, four hundred twenty-
13 eight teachers retired during the 2020-2021 academic year. Some
14 of these individuals may wish to return to employment as
15 teachers. However, existing law prevents a retirant from being
16 employed as a teacher within twelve months of retiring. The
17 legislature believes that allowing recently retired licensed

1 teachers to return to the workforce will help mitigate the
2 teacher shortage and create the opportunity for all of Hawaii's
3 students to receive uninterrupted, quality education.

4 The purpose of this Act is to temporarily allow licensed
5 teachers who have retired to be employed as teachers during a
6 state of emergency and within twelve months of their retirement.

7 SECTION 2. Section 88-9, Hawaii Revised Statutes, is
8 amended by amending subsection (d) to read as follows:

9 "(d) A retirant may be employed without reenrollment in
10 the system and suffer no loss or interruption of benefits
