
A BILL FOR AN ACT

RELATING TO STUDENT TRANSPORTATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the department of
2 education provides regular bus service for qualified public
3 school students to facilitate compliance with the State's
4 compulsory attendance law and transportation of school children
5 law, as well as with federal law relating to the provision of a
6 free and appropriate education. According to the department of
7 education, the daily student ridership average for regular
8 education students is 35,090 students per day and 3,359 per day
9 for special education students. The legislature further finds
10 that the school bus service provided by the department of
11 education is essential for getting students to and from school,
12 particularly for students who lack other transportation options
13 or face hardship in obtaining school transportation services due
14 to economic difficulty.

15 The legislature also finds that to qualify for regular
16 school bus service, students in grades K-5 must reside a mile or
17 more, and students in grades 6-12 must reside 1.5 miles or more,

1 from the school within their attendance area. Students who
2 qualify for school bus service may receive a free bus pass if
3 they meet eligibility requirements; or pay \$36.00 for quarterly
4 one-way trips, \$72.00 for quarterly round trips, or \$10.00 for
5 ten coupons. The legislature finds that a student who qualifies
6 for free lunch under the free and reduced price lunch program is
7 eligible for a free bus pass; however, free bus passes do not
8 extend to students who qualify for reduced lunch under the free
9 and reduced price lunch program. Students and families of
10 households who qualify for the reduced lunch price would also
11 benefit from receiving free bus passes.

12 The purpose of this Act is to require the department of
13 education to create a tiered student bus fare rate system for
14 the department of education's school bus program.

15 SECTION 2. Section 302A-406, Hawaii Revised Statutes, is
16 amended to read as follows:

17 "**§302A-406 Transportation of school children.** (a) The
18 department may provide suitable transportation to and from
19 school and for educational field trips for all children in
20 grades kindergarten to twelve and in special education classes.

1 (b) The department shall adopt policies, procedures, and
 2 programs [~~as it deems~~] necessary to provide suitable
 3 transportation[~~[-]~~]; provided that policies, procedures, and
 4 programs related to the department's school bus program that
 5 provides bus transportation services to students to and from
 6 school shall encompass a tiered student bus fare rate system as
 7 follows:

- 8 (1) Students who qualify, based on the student's household
 9 eligibility, for free lunch or reduced lunch under the
 10 free and reduced price lunch program shall be eligible
 11 for a free bus pass; and
- 12 (2) Students who do not qualify under subsection (b) (1)
 13 shall pay the full rate for a bus pass.

14 [~~(b)~~] (c) The department shall adopt rules under chapter
 15 91 governing the supervision and administration of the
 16 transportation of school children under this section."

17 SECTION 3. There is appropriated out of the general
 18 revenues of the State of Hawaii the sum of \$ or so
 19 much thereof as may be necessary for fiscal year 2022-2023 to
 20 carry out the purposes of this Act.

1 The sum appropriated shall be expended by the department of
2 education for the purposes of this Act.

3 SECTION 4. Statutory material to be repealed is bracketed
4 and stricken. New statutory material is underscored.

5 SECTION 5. This Act shall take effect on July 1, 2050;
6 provided that section 3 shall take effect on July 1, 2022.
