9 aggressively increase broadband affordability,
10 penetration, and competitive availability in the
11 State;
- 12 (2) Support the efforts of public and private entities in
13 Hawaii to enhance or facilitate the deployment of and
14 access to competitively priced, advanced electronic
15 communications services, including broadband and its
16 products and services and internet access services of
17 general application throughout Hawaii;
- 18 (3) Promote the landing of the trans-Pacific submarine
19 cable, including the development of a shared access
20 cable station and associated terrestrial connectivity
21 to reduce barriers to fiber landing in Hawaii;

1 (4) Promote, advocate, and facilitate the implementation
2 of the findings and recommendations of the Hawaii
3 broadband task force established by Act 2, First
4 Special Session Laws of Hawaii 2007; and

5 (5) Actively seek out funding from private and public
6 sources in furtherance of the office's duties pursuant
7 to this chapter.

8 **§ -4 Broadband planning and coordination; cooperation.**

9 (a) The office shall:

10 (1) Seek input and the widest possible cooperation from
11 public and private agencies and individuals to achieve
12 the purposes of this chapter;

13 (2) Promote coordinated broadband planning; and

14 (3) To the extent feasible, incorporate the ideas and
15 suggestions of broadband stakeholders in the office's
16 planning directives.

17 (b) Nothing in this chapter shall be construed to delegate
18 or detract in any way from the functions, powers, and duties
19 conferred by law or rule on any department or agency of the
20 State or county."
