
HOUSE CONCURRENT RESOLUTION

EXPRESSING SUPPORT FOR THE NAMING OF A UNITED STATES NAVY
SURFACE COMBATANT SHIP AFTER FIREMAN SECOND CLASS AND
CONGRESSIONAL MEDAL OF HONOR RECIPIENT TELESFORO TRINIDAD.

1 WHEREAS, United States Navy ships have traditionally been
2 named by the Secretary of the Navy, under the direction of the
3 President of the United States and in accordance with rules
4 prescribed by Congress; and

5
6 WHEREAS, multiple members of Congress, including
7 Representative Ed Case of Hawaii and Representative Sara Jacobs
8 of California, signed a letter authored by Jacobs and dated May
9 26, 2021, to the Acting Secretary of the Navy in strong support
10 of naming a Navy surface combatant ship after United States Navy
11 Fireman Second Class Telesforo Trinidad, who received the
12 Congressional Medal of Honor in 1915; and

13
14 WHEREAS, the May 26, 2021, letter cited numerous reasons
15 for the request, including the following:

- 16
17 (1) The Medal of Honor highlights the importance of
18 service and sacrifice for shipmates and country both
19 in times of war and in day-to-day operations; and
20
21 (2) Trinidad was awarded the Medal of Honor in accordance
22 with General Order Number 142, which was signed by
23 Secretary of the Navy Josephus Daniels on April 1,
24 1915; and
25
26 (3) Trinidad earned the Medal of Honor for showing
27 extraordinary heroism in the line of duty in response
28 to boiler explosions aboard the USS San Diego (ACR-6)
29 that occurred when the ship was in the Gulf of
30 California on January 21, 1915; more specifically,
31 Trinidad brought two crewmembers to safety despite
32 being physically injured by the explosions; and

- (4) One hundred and six years later, Trinidad continues to hold the distinction of being the only Asian American and only Filipino American in the United States Navy to have received a Medal of Honor; and
- (5) The naming of a Navy ship in honor of Trinidad would demonstrate the Navy's leadership and commitment to diversity, equality, and inclusion amid current racial tensions and unwarranted violence against Asian Americans and Pacific Islanders nationwide, and would also mark the seventy-fifth anniversary of the establishment of diplomatic relations between the United States and the Republic of the Philippines and the seventieth anniversary of the Mutual Defense Treaty between the two countries; and
- (6) The naming of a Navy ship after Trinidad would also honor the faithful and loyal service, since 1901, of tens of thousands of Filipinos and Filipino Americans in the United States Navy; would result in the first-ever Navy ship bearing the name of an American national of Filipino descent; and would evidence the long-standing military and political alliance that has existed between the United States and the Philippines since 1898; now, therefore,

BE IT RESOLVED by the House of Representatives of the Thirty-first Legislature of the State of Hawaii, Regular Session of 2022, the Senate concurring, that this body supports the naming of a United States Navy surface combatant ship after Fireman Second Class and Congressional Medal of Honor recipient Telesforo Trinidad; and

BE IT FURTHER RESOLVED that certified copies of this Concurrent Resolution be transmitted to the Secretary of the United States Navy and members of Hawaii's congressional delegation.
