
HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF EDUCATION TO ENSURE THAT CAREER AND TECHNICAL EDUCATION STANDARDS FOCUS ON PLACE-BASED RESPONSIVENESS TO CLIMATE CHANGE AND PREPARING STUDENTS TO ENGAGE IN A GROWING GREEN ECONOMY.

1 WHEREAS, Hawaii faces an uncertain future as the global
2 climate crisis intensifies and puts the health of Hawaii's
3 people, environment, and economy at risk; and
4

5 WHEREAS, surviving and adapting to the climate crisis
6 demands that the State proactively transition to a green economy
7 that protects Hawaii's natural resources for future generations
8 while providing good jobs for the people of Hawaii; and
9

10 WHEREAS, indigenous knowledge plays a central role in the
11 development of place-based responses to the climate crisis; and
12

13 WHEREAS, Native Hawaiian science, culture, knowledge, and
14 values grounded in Hawaii's unique ecosystems are crucial to the
15 development of a green economy that preserves, enriches, and
16 respects the State's environment; and
17

18 WHEREAS, providing the next generation of keiki with a
19 strong grounding in Native Hawaiian knowledge is essential to
20 empowering them to be active participants in a just transition
21 to a regenerative economy that honors Hawaii's unique sense of
22 place; and
23

24 WHEREAS, career and technical education programs have a
25 crucial role to play in preparing students to participate in
26 this green workforce and allowing students to explore potential
27 career pathways in sustainable industries; and
28

29 WHEREAS, career and technical education programs across all
30 career pathways must be reoriented to prepare Hawaii's students

H.R. NO. 134

1 to enter the workforce as responsible stewards of the ‘āina; now,
2 therefore,

3
4 BE IT RESOLVED by the House of Representatives of the
5 Thirty-first Legislature of the State of Hawaii, Regular Session
6 of 2022, that the Department of Education is requested to ensure
7 that career and technical education standards focus on place-
8 based responsiveness to climate change and preparing students to
9 engage in a growing green economy; and

10
11 BE IT FURTHER RESOLVED that the Department of Education is
12 requested to include meaningful engagement with key local,
13 state, and federal agencies; leading community-based nonprofit
14 organizations; community stakeholders; the University of Hawaii
15 systems; K-12 educators; and the wide-range of organizations who
16 prioritize mālama ‘āina and aloha ‘āina at every step of the
17 standards development process; and

18
19 BE IT FURTHER RESOLVED that the Department of Education is
20 requested to engage the Office of Hawaiian Education as a
21 critical partner at every step of the process of developing the
22 Department of Education's revised career and technical education
23 program standards are in alignment with the Nā Hopena A‘o
24 framework; and

25
26 BE IT FURTHER RESOLVED that a certified copy of this
27 Resolution be transmitted to the Superintendent of Education.
