## HOUSE RESOLUTION

REQUESTING THAT THE DEPARTMENT OF HAWAIIAN HOME LANDS IMPLEMENT PROGRAMS TO SUPPORT VERY LOW INCOME NATIVE HAWAIIAN BENEFICIARIES.

1           WHEREAS, the Department of Hawaiian Home Lands and the  
2 public land trust are for the benefit of the native Hawaiian  
3 people; and  
4

5           WHEREAS, the waitlist for residential and farming  
6 homesteads reached 28,500 native Hawaiian adults in 2019, and  
7 still currently remains around 28,000 adults despite pledges of  
8 money and programs designed to expedite the process of reducing  
9 the waitlist; and  
10

11           WHEREAS, over two thousand native Hawaiians have died while  
12 on the waitlist; and  
13

14           WHEREAS, Hawaii has one of the worst homeless rates in the  
15 country when measured by the number of homeless per 10,000  
16 people and Hawaii's homeless population contains a  
17 disproportionately high number of native Hawaiians; and  
18

19           WHEREAS, partially due to the coronavirus disease 2019  
20 pandemic, even those native Hawaiians who are renting are having  
21 difficulties keeping up with rising costs; and  
22

23           WHEREAS, the average mortgage in Hawaii currently is over  
24 \$600,000 which is nearly impossible to support every month at  
25 conventional rates if rent is already an issue; now, therefore,  
26

27           BE IT RESOLVED by the House of Representatives of the  
28 Thirty-first Legislature of the State of Hawaii, Regular Session  
29 of 2022, that the Department of Hawaiian Home Lands is requested  
30 to implement programs that would support very low income  
31 beneficiaries; and  
32

# H.R. NO. 57

1 BE IT FURTHER RESOLVED that the Department of Hawaiian Home  
2 Lands is requested to consider the following potential  
3 solutions:

- 4
- 5 (1) Awarding a flexible ninety-nine-year lease, which  
6 could be used to live in a tent or other temporary  
7 structure in an off-grid village, and with terms that  
8 may change as the lessee's financial situation  
9 changes;
- 10
- 11 (2) Duplicating the Puuhonua O Waianae, Kings Landing, or  
12 Bumpy Kanahele model on every island, where very low  
13 income beneficiaries can live village-style and off  
14 the grid;
- 15
- 16 (3) Allowing beneficiaries who receive vacant lots from  
17 the waitlist, to live in temporary structures off the  
18 grid until their financial situation improves; and
- 19
- 20 (4) If a beneficiary has been on the waitlist for five  
21 years or more, then buys a home outside of the  
22 homestead, the Department of Hawaiian Home Lands  
23 should pay their land tax; and
- 24

25 BE IT FURTHER RESOLVED that certified copies of this  
26 Resolution be transmitted to the Chairperson of the Department  
27 of Hawaiian Home Lands and the Chairperson of the Office of
