
A BILL FOR AN ACT

RELATING TO THE HAWAII STATE HEALTH INSURANCE ASSISTANCE
PROGRAM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the federal medicare
2 program is essential to ensuring health care coverage for older
3 adults and persons having disabilities in the State. However,
4 the rules and procedures of medicare are complex and difficult
5 to navigate. The legislature further finds that the Hawaii
6 state health insurance assistance program is a critical program
7 administered by the department of health executive office on
8 aging that assists those individuals who qualify for medicare to
9 navigate the program and make informed health insurance
10 decisions.

11 The state health insurance assistance program is staffed by
12 only two full-time employees who train a team of over eighty
13 dedicated volunteers to provide specialized assistance to the
14 public free of charge. Currently, state health insurance
15 assistance program employees are fully funded by federal moneys,
16 which could be reduced or even eliminated based on federal

1 policymaking. Therefore, the legislature finds that state
2 support for the state health insurance assistance program would
3 provide stability and ensure continuity of the program.

4 The purpose of this Act is to appropriate funds to the
5 state health insurance assistance program to expand the program
6 by:

- 7 (1) Contracting with third-party service providers and
8 staffing consultants; and
- 9 (2) Recruiting more volunteers.

10 SECTION 2. There is appropriated out of the general
11 revenues of the State of Hawaii the sum of \$ or so
12 much thereof as may be necessary for fiscal year 2022-2023 to
13 expand the Hawaii state health insurance assistance program by:

- 14 (1) Contracting with third-party service providers and
15 staffing consultants; and
- 16 (2) Recruiting more volunteers.

17 The sum appropriated shall be expended by the executive
18 office on aging for the purposes of this Act.

19 SECTION 3. This Act shall take effect on July 1, 2060.
