# A BILL FOR AN ACT

RELATING TO AGRICULTURE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 141, Hawaii Revised Statutes, is  
2 amended by adding a new section to part I to be appropriately  
3 designated and to read as follows:

4           "§141-        Healthy soils program; special fund;  
5 established. (a) The department of agriculture shall establish

6 a healthy soils program. The healthy soils program shall:

7           (1) Create a statewide soil health assessment with a list  
8 of practices specific to the State and that are most  
9 effective in improving soil health and building soil  
10 carbon stocks;

11           (2) Provide farmers with education and technical  
12 assistance to implement farm management practices that  
13 contribute to healthy soils;

14           (3) By \_\_\_\_\_, establish standards that apply to the  
15 healthy soils program and are based on the findings of  
16 the greenhouse gas sequestration task force  
17 established pursuant to section 225P-4 relating to

1           minimum levels of soil carbon and water content and  
2           required soil health practices; and

3           (4) Subject to available funding, issue awards and other  
4           financial incentives to implement farm management  
5           practices that contribute to healthy soils.

6           (b) The long-term goals of the healthy soils program shall  
7 be to establish:

8           (1) Deadlines by which all awards issued by the department  
9           of agriculture shall meet the standards established  
10           pursuant to subsection (a) (3);

11           (2) Deadlines by which a plan for all state lands leased  
12           for agricultural use shall be required; and

13           (3) Programs incentivizing small farmers, ranchers, and  
14           landowners to take carbon negative actions on their  
15           respective lands.

16           (c) There is established a healthy soils program special  
17 fund to be administered by the department of agriculture and  
18 into which shall be deposited moneys appropriated by the  
19 legislature. The special fund shall be used to implement and  
20 operate the healthy soils program and issue awards and other  
21 financial incentives under the program.

1       (d) The department of agriculture shall submit a report  
2 detailing the status and progress of the healthy soils program  
3 and its recommendations, including any proposed legislation, to  
4 the legislature no later than twenty days prior to the convening  
5 of each regular session."

6       SECTION 2. There is appropriated out of the general  
7 revenues of the State of Hawaii the sum of \$                    or so  
8 much thereof as may be necessary for fiscal year 2022-2023 to be  
9 deposited into the healthy soils program special fund.

10       SECTION 3. There is appropriated out of the healthy soils  
11 program special fund the sum of \$                    or so much thereof  
12 as may be necessary for fiscal year 2022-2023 for the  
13 establishment of the healthy soils program and to issue awards  
14 and other financial incentives pursuant to the program.

15       The sum appropriated shall be expended by the department of  
16 agriculture for the purposes of this Act.

17       SECTION 4. New statutory material is underscored.

18       SECTION 5. This Act shall take effect on July 1, 2022.
