## II. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background;

Volunteer Legal Services Hawaii ("Volunteer Legal") is a 501(c)(3) non-profit legal services organization located in downtown Honolulu providing statewide civil legal services to Hawaii's low-and moderate income residents. Volunteer Legal's mission has been and is to increase legal access to justice for those who cannot afford it through its pro bono program. Now in its 42nd year, Volunteer Legal has remained an important thread in Hawaii's safety net of services for our kupuna, keiki, veterans, and for those facing life changing legal problems.

Volunteer Legal provides services to Hawaii residents in the following areas of law: family (divorce, child custody/visitation, child support, minor guardianship, and adoption), landlord-tenant, collections, Chapter 7 bankruptcy, estate planning, adult guardianship, license reinstatement, and veteran benefits. In 2022, Volunteer Legal conducted close to three thousand intakes and provided legal services ranging from advice and consult meetings to full representation at court. Several hundred individuals also received legal check-ups and legal education at outreach events.

Volunteer Legal is able to provide quality legal services through the generous donation of volunteer and pro bono services of attorneys across the state. Volunteer Legal has over 200 active volunteer attorneys who have generously donated over 2,288 hours in person, over the phone consults, and online. These services were valued at over \$800,000<sup>1</sup> in 2022.

2. The goals and objectives related to the request;

Volunteer Legal will continue to increase access to Hawaii's justice system, especially for the low and moderate income community of Hawaii. Going forward for 2023, Volunteer Legal's goals and objectives, include but are not limited to:

- A. Reducing the average wait time for participants to receive direct services from three (3) weeks to two (2) weeks with the additional intake staff;
- B. Re-establishing services to underserved and rural communities especially on neighbor islands through a series of Pop-Up Legal Clinics<sup>2</sup>: four (4) on Oahu, two (2) in Hawaii County, one (1) in Maui County, and one (1) in Kauai;

<sup>&</sup>lt;sup>1</sup> Based on an average Hawaii licensed attorneys' hourly rate of \$350 per hour.

<sup>&</sup>lt;sup>2</sup> Due to Covid safety concerns, all in-person legal clinics were suspended since 2020. Services, however, were moved online. When safely able to do so, Volunteer Legal intends to resume in-person legal clinics and continue to bring clinics to underserved communities.

- C. Continuing the expansion of online technology including, but not limited to the Hawaii Online Pro Bono Portal, as an added tool for pro bono based services for both volunteer attorneys and rural residents;
- D. Continue the expansion of the Re-Employment and Community Service ("RACS") to neighbor islands (currently only in Oahu);
- E. Enhance and increase limited scope assistance to self-represented litigants through the addition of a full-time Program Director overseeing a more robust service delivery model; and
- F. Improve coordination of client-focused service delivery models between Volunteer Legal and Legal Aid Society of Hawaii ("Legal Aid") for Hawaii residents who require support.
- 3. The public purpose and need to be served;

Although many regard Hawaii as a beautiful and desired place to live, in reality it is one of the most difficult places in the nation to live and survive, particularly among working-class residents. Low wages and high living costs make it difficult to "get by" in Hawaii. Many Hawaii residents work more than one job, live in a multigenerational house, and are on government assistance.

These residents face many of the same civil legal challenges as others including the need for estate planning, divorces, guardianships for disabled adults, and bankruptcies. Many of these individuals, however, lack the resources to hire attorneys to assist. Without this necessary assistance, unexpected events can balloon into personal and financial disruptions that push working-class families further behind.

In 2022, approximately 62% of those serviced by Volunteer Legal had incomes below 125% of the federal poverty guidelines and 34% of those serviced by Volunteer Legal had incomes between 126% and 250% of the federal poverty guidelines. For 2022, this meant a household of four must have had an annual gross income at or below \$79,800 gross per year in order to qualify for services. Unfortunately, this amount barely covers the cost of food and housing for a family in Hawaii. While most of those qualified for services had some form of income, Volunteer Legal found that many participants were asset poor, meaning that they have limited assets that can be

3

liquidated to finance litigation. In addition, 21% of Volunteer Legal's clients indicated he/she is a victim of domestic violence and 19% are homeless and/or not in permanent housing.

In 2022, Volunteer Legal qualified over 924 individuals for services; each receiving legal advice and consult, brief services, and/or full representation. Over an additional thousand callers were contacted and properly referred to other agencies to address issues beyond Volunteer Legal's expertise and capacity. Volunteer Legal's clients needed assistance in family law (55%), estate planning (4%), bankruptcy (5%), district court related matters<sup>3</sup> (16%), veteran benefits (1%), and license reinstatement (16%). The remaining matters (3%) included, but not limited to, cases that involved the Intermediate Court of Appeals and Supreme Court.

#### 4. Describe the target population to be served; and

Volunteer Legal strives to provide legal services for the low and moderate income community of Hawaii. This population includes, but is not limited to, the homeless, individuals in transitional homes/shelters, persons with limited English proficiency, single parents, the elderly, and veterans.

Volunteer Legal provides the residents of Hawaii a much-needed resource for legal assistance and fills existing service gaps. In 2022, 11% of Volunteer Legal's clients were referred by Legal Aid, the only other civil legal service provider dedicated to providing legal services to the low income population. Because Volunteer Legal can accept clients who earn too much income to qualify for Legal Aid's services (but not enough to hire a private attorney), Volunteer Legal can sometimes serve the "gap group" of working class residents. In other cases, individuals may call Volunteer Legal to assist with services that Legal Aid does not provide (i.e. Estate Planning, Bankruptcy, Veteran Benefits). But for Volunteer Legal, many individuals would be left without access to the legal system.

Another popular service is Volunteer Legal's RACS program, which assists clients in reinstating drivers licenses through community service in lieu of payment of

<sup>&</sup>lt;sup>3</sup> District Court related matters include but are not limited to: landlord-tenant, collections, torts, and contract/ warranties matters.

fines. This program has been so successful and well-known simply from the word of mouth of previous clients. Some notable cases include:

- Client appeared in-person at his RACS hearing and was accompanied by a VLSH volunteer attorney via Zoom to address 22 traffic cases. With \$2,170 owed to the court in traffic fines, he had an estimated fine conversion of 155 hours in Community Service and \$1,111 in possible court fees going into the hearing. With the help of the volunteer attorney, all tickets were successfully converted into approximately 155 hours of Community Service and all court fees were waived.
- Client appeared via Zoom at her RACS hearing and was accompanied by a VLSH volunteer attorney to address 17 traffic cases. With \$3,863 owed to the court in traffic fines, she had an estimated fine conversion of 265 hours in Community Service and \$1,120 in possible court fees going into the hearing. With the help of the volunteer attorney, all tickets were successfully converted into approximately 265 hours of Community Service and all court fees were waived.
- Client appeared via Zoom at his RACS hearing and was accompanied by a VLSH volunteer attorney to address 18 traffic cases. With \$2,115 owed to the court in traffic fines, he had an estimated fine conversion of 153 hours in Community Service and \$1,522 in possible court fees going into the hearing. With the help of the volunteer attorney, all his tickets were successfully converted into 153 hours of Community Service and all court fees were waived.
- Client appeared via Zoom at her RACS Hearing and was accompanied by a VLSH volunteer attorney to address 19 traffic cases. With \$2,660 owed to the court in traffic fines, she had an estimated fine conversion of 187 hours in Community Service and \$1,159 in possible court fees going into the hearing. With the help of the volunteer attorney, client's tickets were

successfully converted into approximately 187 hours of Community Service and all court fees were waived.

 Client appeared via Zoom at his RACS hearing and was accompanied by a VLSH volunteer attorney to address 7 traffic cases. With \$920 owed to the court in traffic fines, he had an estimated fine conversion of 68 hours in Community Service and \$731 in possible court fees going into the hearing. With the help of the volunteer attorney, client's tickets were successfully converted into approximately 68 hours of Community Service and all court fees were waived.

Without Volunteer Legal, these individuals and many more would not be able to get their license back and drive to work and carry out family duties that requires operating a vehicle.

5. Describe the geographic coverage.

Volunteer Legal currently provides civil legal services to residents of Hawaii statewide. While Volunteer Legal's office is located in Honolulu, Volunteer Legal provides legal assistance to neighbor island residents by way of "virtual" clinics via the telephone and live "Pop-Up Clinics". Volunteer Legal intends to bring Pop-Up Clinics throughout the neighbor islands in the next year. Volunteer Legal held is first Pop-Up clinic, since the pandemic, in October 2022 at the FilCom Center in Waipahu.

## III. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

1. Describe the scope of work, tasks and responsibilities;

Funds will support the following activities aimed at increasing access to legal services to underserved populations within the State of Hawaii:

#### A. Outreach and Legal Check-Ups

Often, individuals come to Volunteer Legal months or even years after a major event triggering an unfavorable outcome or judgment has occurred. Outreach allows Volunteer Legal staff and its volunteers to provide the community with initial access to the legal system through legal information and identify legal issues via a legal "check-up". Just as our doctors go through a check-up regarding our health, Volunteer Legal goes through a "check-up" for any outstanding legal issues. The outreach and legal check-up are intended to mitigate civil legal problems to enable an individual to address legal issues early on and ideally, manage the situation before it gets really difficult. Some of the most popular topics Volunteer Legal educates the community on, are landlord-tenant, collections, and family law issues.

Funding will also enable VLSH to expand outreach and legal checkups outside of Oahu, including the neighboring islands of Maui, Kauai, and Hawaii with targeted activities tailored to the unique needs of each County.

#### B. Intake and Screening

In 2022, Volunteer Legal qualified approximately 924 individuals for services based on legal matter and income eligibility; 339 of these clients received further brief and full representation services past the advice and counsel clinic stage. Volunteer Legal also delivered services, pro se assistance and referrals to pro bono attorneys for full representation, with over another hundred individuals receiving information through legal education. Those who do not qualify for Volunteer Legal services are provided referrals to other appropriate agencies or the Hawaii State Bar Lawyer Referral Service. During intake, staff collect information and identify the legal issue the applicant is experiencing including asking pertinent case questions and for related documents to his/her case. A full intake can take up to an hour, depending on the complexity of the case.

The intake is then sent over to the intake supervisor for further screening and review. The intake supervisor will make sure all case questions are completed, check for any outstanding deadlines, and follow up for any additional information and/or documents necessary to determine the type and level of service needed by the applicant. Once this secondary screening is completed the applicant is then scheduled for a legal advice clinic or pro se legal services and matched with a volunteer attorney practicing in that area of law.

At present, we have three full time and one part time staff member answering and returning calls. Volunteer Legal receives an average of thirty (30) calls a day, with many requiring the full intake process to be completed. The average time for a call to be returned on the intake line is between two to three business days. Funding will allow for an additional intake staff to be hired and trained to increase response time for those seeking services, including picking up live calls and a twenty-four (24) hour turnaround time.

#### C. Referrals to Pro Bono Attorneys

Once an individual completes an intake with and reviewed by Volunteer Legal, the individual will move onto the next step in the Volunteer Legal Pro Bono Program. The following services are provided for the most part by pro bono attorneys:

#### i. Neighborhood Advice and Counsel Clinics ("Clinic")

After intake and screening, clients are scheduled for individualized legal consultations with volunteer attorneys either in person or by phone for approximately forty-five minutes to an hour. Although Covid safety concerns have created barriers to in-person services, Volunteer Legal has continued to provide clinic services on the phone or virtually. Volunteer attorneys are carefully matched with clients who are experiencing a legal issue within their area of practice, and are provided the client's intake information, including a synopsis of the legal issue and copies of any pertinent documents. This advance gathering of information allows for the volunteer attorney to spend much of their clinic time providing actual legal assessment and advice. Clinic participants can ask questions and receive advice on legal and in some cases non-legal avenues to resolving their situation.

If after the clinic the volunteer attorney determines that the client requires further services, the client may be referred for full representation placement services, brief services, a pro se workshop, or a follow-up legal advice session.

In 2022, Volunteer Legal held over 220 legal clinics for individuals in the areas of family law, collections, tenant law, bankruptcy, estate planning, wills and trusts, veterans benefits, and bench warrant recalls via phone "virtual clinics" for Oahu and neighbor island clients. Volunteer Legal and its volunteer attorneys regularly receive "*very satisfied*" remarks and comments such as the following:

- "Thank you for a friendly clinic. Everyone was so helpful."
- "Thank you for helping me understand."
- *"We were happy that the attorney helped us with all of our questions."*

• "The Attorney provided me with additional information that will help me with my case. I am very grateful."

• "Thank you for excellent services."

• "The Attorney helped me today a lot ... all my worries all gone because she helped me. My attorney she is very good attorney. She discussed with me the paperwork for Guardianship, and now I understand what this is all about."

• "Very satisfied with the help I received."

At present, the wait time to see an attorney is an average of two (2) weeks. Additional staff would increase capacity to process applicants in a timely manner, thereby shortening the wait time.

#### ii. Brief Services/Limited Scope

Brief Services are offered to those program participants who require more than advice and counsel. Such assistance includes but not limited to, drafting a letter; making a phone call to a creditor or landlord; legal research for unique legal issues; drafting a court document; and in some cases a limited scope appearance in court to help resolve a discrete legal issue. Brief services are provided by volunteer attorneys willing and able to dedicate a limited amount of time to a well-matched client. Under certain circumstances, staff attorneys are able to provide brief services when the need of the client is urgent and immediate.

#### iii. Full Representation

Some clients will need more than advice at Clinic and limited scope services. As such, qualified program participants are referred by volunteer attorneys after a Neighborhood Legal Clinic meeting for full representation. The Pro Bono Coordinator along with the Program Manager recruit and attempt to place these clients with an appropriate volunteer attorney willing, able, and qualified to represent the client for the entirety of the case. The Pro Bono Coordinator monitors the cases from placement to closing.

Placement of cases with pro bono attorneys is at the heart of Volunteer Legal's core services and is the highest level of service offered. However, the referral process for pro bono full representation demands a great deal of time and effort from staff. On average, it could take up to three attempts to place a highly contested case with a volunteer attorney. Cases that are successfully matched with a volunteer attorney, are monitored by staff throughout the life of the case to ensure the placement is effective.

10

#### iv. Pro Se Assistance through Workshops

Volunteer Legal has been delivering "Do-It-Yourself" assistance to pro se litigants for many years in the form of workshops. These workshops are aimed to assist those who have less complicated legal issues that can be resolved through step-by-step guidance and assistance these include: uncontested divorce, and guardianship. In 2022, Volunteer Legal completed 20 Pro Se Workshops.

Funding would support expanding this service by adding a Program Director with the legal experience to support volunteers and staff in providing a wider range of pro se services to the community. The guidance provided to self-represented litigants will ultimately impact the number of filings in court that would require multiple hearings, and offer time savings for litigants from having to take time off work to attend hearings that could be resolved by wellprepared pleadings or undergoing an uncontested procedural path.

#### v. Pop-Up Legal Clinics

Pop-Up Legal Clinics serve as an extension to its Neighborhood Legal Clinics and in response to the needs of those living in rural and targeted communities and face barriers to accessing legal services in our downtown main office. The goal of the Pop-Up Legal Clinics is to mobilize volunteer attorneys to provide pro bono service to rural residents who due to transportation, childcare, and/or work scheduling limitations are unable to meet with volunteer attorneys face-to-face in the downtown Honolulu. Due to the impact of Covid, in-person Pop-Up Legal Clinics were suspended since 2020. However, Volunteer Legal held its first inperson Pop-Up Legal Clinic in October 2022. In 2023-2024, Volunteer Legal intends to continue to resume its series of inperson Pop-Up Legal Clinics. Although in-person Pop-Up Legal Clinics were mostly suspended from early 2020 to September 2022, Volunteer Legal continued to serve rural and targeted communities, such as Waianae, Hilo, Kailua-Kona, Wahiawa, Waipahu and Kalihi through the Neighborhood Legal Clinics on the phone or virtually.

Funding would support Pop-Up Legal Clinics to be delivered throughout Oahu as well as the neighboring islands, especially in rural neighbor county districts where there is limited access to attorneys and a long bus ride to the nearest courthouse.

#### vi. Hawaii Online Pro Bono ("HOP")

Hawaii is unique as it is an island state - it can be quite difficult to get to a downtown or if your case was filed in a different circuit it would require you to fly to another island to have a hearing. In an effort to expand services to rural areas and to overcome geographic barriers, the ABA Online Pro Bono website, known as Hawaii Online Pro Bono<sup>4</sup> was launched in late 2016. This portal allows Hawaii residents to post their legal question from the comfort of their home. At the same time, volunteer attorneys can also answer the questions from the comfort of their home, after hours. Presently, there are over 114 registered attorneys ready to answer questions in the following areas of law: family, landlord-tenant, collections, Chapter 7 bankruptcy, estate planning, adult guardianship, veteran benefits, and immigration. These 114 registered attorneys answered a combined total of 2668 questions since the program's creation.

As administrator of the Hawaii site, Volunteer Legal maintains and oversees the site. This site provides an additional resource of pro bono attorneys to Hawaii residents. Funding would allow Volunteer Legal to further work with the ABA site and implement the Hawaii site to better fit the needs of the local communities statewide.

Volunteer Legal staff have extensive experience working with this target population during and prior to joining Volunteer Legal. Currently, Volunteer Legal has four (4) staff members licensed to practice within the State of Hawaii, one staff member licensed in the State of Oregon, and one who is also licensed in the country of Thailand. Collectively, these licensed staff members have extensive experience in the areas of family law, estate planning, landlord-tenant, collections, bankruptcy, and immigration. These attorneys are well connected with other practitioners, and can promote pro bono service and recruit colleagues.

Volunteer Legal's staff also includes one paralegal, three full-time and one parttime intake specialist. Volunteer Legal also has staff members who speak Spanish and Thai. All staff members undergo continued legal education, subject matter training, and supervisory training.

Staff members are also active in their respective communities and these connections allow for Volunteer Legal to be familiar with the needs of the community. With the combined skills and dedication of the staff, Volunteer Legal can effectively serve the indigent population through outreach, intake, screening, and referrals to pro bono attorneys.

Volunteer Legal is unique and different from Legal Aid and/or any other legal service providers in Hawaii – we mobilize private attorneys to engage in pro bono work which multiples the capacity of the state to provide critical legal aid services to those least able to afford it. Hawaii licensed attorneys are not mandated by the Hawaii Bar Association to do pro bono. As such, all of Volunteer Legal's attorneys volunteer with us on their own time.

Without Volunteer Legal's coordination of said services, private attorneys would not have volunteered and donated the 2288 hours that they did in 2022 alone. Volunteer Legal's pool of pro bono attorneys range from large law firm partners, associates, solo practitioners, public or private agency attorneys who are leaders in their areas of practice. These pro bono attorneys do not only provide direct services but

17

also may mentor newly licensed pro bono attorneys, are presenters at volunteer trainings and events, and develop substantive materials for various agency programs. Overall, Volunteer Legal has almost 200 volunteer attorneys who participate and support various programs and services.

Over the past three (3) years, Volunteer Legal has contracted with a variety of agencies and foundations to service the indigent population. Among them, include:

2019-20 & 2022-23 The Judiciary, State of Hawaii Purchase of Services

	Contract to Serve Indigent individuals and households
	throughout the State of Hawaii with civil legal services.
2019-2020	City and County of Honolulu, Community
	Development Block Grant – to provide a series of
	legal clinics within underserved districts on Oahu.
2016-2022	County of Hawaii Non-profit Grant – awarded to
	supplement funding for legal services to Hawaii Island
	residents.

Volunteer Legal launched the Appellate Pro Bono Project as a pilot project in 2015 in partnership with the Hawaii State Bar Association and the Hawaii State Judiciary ("Appellate Program"). Due to its success in a short amount of time, the Appellate Program was made permanent by the Supreme Court in 2017. Since then, the Appellate Program continues to recruit pro bono attorneys on the appeals level and many cases that have been matched through the program were prevailed for the client. It is hard enough for individuals to navigate the already difficult legal system, and much more difficult at the appeals and Supreme Court level. Again, without Volunteer Legal's coordination, these individuals and many more would be navigating their appellate and supreme court cases alone.

Additionally, Volunteer Legal continues its role as site administration for Hawaii Online Pro Bono and working with American Bar Association, Free Legal Answers Project, helping answer legal questions over the internet at one's fingertips.

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.

Volunteer Legal is located at 545 Queen Street, Suite 100 in downtown Honolulu, Oahu. The office faces Queen Street, easily accessible by public transportation or by car with street parking nearby. Volunteer Legal's office is also located a short walk away from the First Circuit Court, District Court and Supreme Court of Hawaii.

Intake, Clinics, and workshops are conducted at the Oahu location. The office space, conference room, equipment and supplies are utilized by volunteer attorneys and staff to service clients. ### VII. Other

#### 1. Litigation

The applicant shall disclose any pending litigation to which they are a party, including the disclosure of any outstanding judgement. If applicable, please explain.

Volunteer Legal is not presently a party to any litigation.

#### 2. Licensure or Accreditation

The applicant shall specify any special qualifications, including but not limited to licensure or accreditation that the applicant possesses relevant to this request.

Staff attorney positions with responsibilities of, including but not limited to,

supervising volunteer attorneys, law students, and paralegals are licensed and in good standing with the State of Hawaii and members of the Hawaii State Bar Association.

#### 3. Private Educational Institutions

The applicant shall specify whether the grant will be used to support or benefit a sectarian or non-sectarian private educational institution. Please see <u>Article X, Section</u> <u>1, of the State Constitution</u> for the relevance of this question.

Not applicable.

#### 4. Future Sustainability Plan

The applicant shall provide a plan for sustaining after fiscal year 2023-24 the activity funded by the grant if the grant of this application is:

(a) Received by the applicant for fiscal year 2023-24, but

Funding to Volunteer Legal will continue to assist its current as well as expanding the pro bono programs across Hawaii. The services that Volunteer Legal provides the residents of Hawaii are essential and without Volunteer Legal, many would be left to navigate the legal system on their own. With state funding, Volunteer Legal would be able to restore itself to its pre-Covid position, and all monies from the State will go directly to assisting the residents of Hawaii and the pro bono program, current and future, as described in this grant request and reach its goals for 2023 and beyond.

#### (b) Not received by the applicant thereafter.

Volunteer Legal will maintain its pro bono program for as long as funding will allow. Volunteer Legal did not receive any monies from the State for the fiscal years 2020 and 2021 but was thankful to be recipient of the Purchase of Service Contract through the Judiciary for the fiscal year 2022 to 2023. Due to lower available funds made available to Volunteer Legal during the pandemic, Volunteer Legal reached out to numerous resources as well as dipped into reserves.

Volunteer Legal is a standalone legal service provider as it does not receive any federal funds from the Legal Services Corporation nor from the Hawaii State Bar Association as other pro bono programs do in other jurisdictions. As such, Volunteer Legal will continue pursuing private donations from foundations, firms, and/or individuals from the state of Hawaii as it has done in 2022. Volunteer Legal will continue with its ongoing fundraising campaigns throughout the year and during its annual fundraiser.

Volunteer Legal also continues to work with other service providers who do receive federal and/or other funding that Volunteer Legal is thereafter able to contract with. Volunteer Legal will continue to rely on its portion of the Indigent Legal Assistance Fund and the Interest on Lawyer Trust Accounts each year. While we are grateful for those funds, those amounts cannot keep Volunteer Legal's pro bono program running and does not provide Volunteer Legal the ability to expand its pro bono program to rural areas and neighbor islands.

Volunteer Legal understands that the State alone cannot fund the entire program but Volunteer Legal cannot continue to exist and operate without the stable funding from the State to support the high demand by Hawaii residents. As such, Volunteer Legal submits this grant request to continue its work and expand its services statewide.
