STATE OF HAWAII

H.B. NO. 554

A BILL FOR AN ACT

RELATING TO CAMPUS SAFETY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that college campuses
2 should be safe from sexual and domestic violence. According to
3 the Rape, Abuse & Incest National Network, the nation's largest
4 anti-sexual violence organization, thirteen per cent of all
5 college students experience rape or sexual assault through
6 physical force, violence, or incapacitation. Among
7 undergraduate students, 26.4 per cent of females and 6.8 per
8 cent of males experience rape or sexual assault through physical
9 force, violence, or incapacitation.

10 The legislature further finds that incidents of sexual and
11 domestic violence are also pervasive on college campuses in the
12 State. More than nineteen per cent of students who were in a
13 partnered relationship while enrolled at the University of
14 Hawaii reported having experienced dating violence or domestic
15 violence. In addition, about ten per cent said they had been
16 sexually harassed or stalked, and 6.3 per cent reported

1 nonconsensual sexual contact, according to a survey of students
2 released by the university in January 2018.

3 The legislature additionally finds that a study released in
4 the journal *Radiology* in August 2020 found a higher incidence of
5 physical intimate partner violence, both in numbers and
6 proportion, and that the injuries that victims suffered were
7 much more severe.

8 Given the already elevated prevalence of sexual and
9 domestic violence on college campuses, the legislature finds
10 that strengthening campus safety protocols to ensure that
11 students are adequately protected from escalating incidents of
12 abuse is a matter of statewide concern.

13 The purpose of this Act is to expand protections for
14 victims of sexual and domestic violence at the University of
15 Hawaii by:

- 16 (1) Requiring the university to ensure that any individual
17 who participates in implementing the university's
18 disciplinary process has training or experience in
19 handling sexual misconduct complaints and the
20 university's disciplinary process;

- 1 (2) Requiring that the university provide mandatory
2 annual, trauma-informed, gender-inclusive,
3 LGBTQ+-inclusive sexual misconduct primary prevention
4 and awareness programming for all students and
5 employees of the university;
- 6 (3) Prohibiting the university from taking certain
7 disciplinary action against individuals reporting
8 sexual misconduct unless certain exceptions apply; and
- 9 (4) Establishing positions and appropriating funds.

10 SECTION 2. Section 304A-120, Hawaii Revised Statutes, is
11 amended to read as follows:
