RELATING TO ELECTIONS.
ACT 114

THE SENATE
THIRTY-SECOND LEGISLATURE, 2023
STATE OF HAWAII

S.B. NO. 141
S.D. 1
H.D. 1
C.D. 1

A BILL FOR AN ACT

RELATING TO ELECTIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that ensuring the
2 faithfulness of presidential electors is crucial to the State's
3 democratic system of government. The legislature notes that
4 presidential and vice presidential candidates are elected not by
5 the popular vote but rather by electors, who are themselves
6 elected during general elections, who select the president and
7 vice president by a simple majority.

8 The legislature further finds that electors who cast votes
9 contrary to the candidates whom they were elected to vote for,
10 thereby acting faithlessly, are acting contrary to democratic
11 values by subverting the will of the people. Additionally, the
12 potential exists for faithless electors to have a decisive
13 effect upon a presidential election's outcome, especially when
14 the election is close.

15 The purpose of this measure is to align Hawaii law with the
16 Uniform Faithful Presidential Electors Act by:

17 (1) Updating rules for certification of electors and their
18 votes to be in full compliance with federal law;

- 1 (2) Providing procedures for the replacement of electors;
- 2 (3) Requiring presidential electors to take a pledge that
- 3 they will vote for their party's nominee;
- 4 (4) Invalidating the vote of any faithless elector; and
- 5 (5) Removing any faithless elector from the position of
- 6 elector.

7 SECTION 2. Chapter 14, Hawaii Revised Statutes, is amended
8 by adding a new section to be appropriately designated and to
9 read as follows:

10 "§14- _____ Elector replacement; associated certificates.

11 (a) After the vote of the State's electors is completed, if the
12 final list of electors differs from any list that the governor
13 previously included on a certificate of ascertainment prepared
14 and transmitted under title 3 United States Code section 6, the
15 chief election officer shall immediately prepare an amended
16 certificate of ascertainment and transmit it to the governor for
17 the governor's signature.

18 (b) The governor shall immediately deliver the signed
19 amended certificate of ascertainment to the chief election
20 officer and a signed duplicate original of the amended
21 certificate of ascertainment to all individuals entitled to

1 receive the State's certificate of ascertainment, indicating
2 that the amended certificate of ascertainment is to be
3 substituted for the certificate of ascertainment previously
4 submitted.

5 (c) The chief election officer shall prepare a certificate
6 of vote. The electors on the final list shall sign the
7 certificate of vote. The chief election officer shall process
8 and transmit the signed certificate of vote with the amended
9 certificate of ascertainment under title 3 United States Code
10 sections 9, 10, and 11."

11 SECTION 3. Section 14-21, Hawaii Revised Statutes, is
12 amended to read as follows:

13 "§14-21 Nomination of presidential electors and
14 alternates; certification[+] by parties; notification of
15 nominees [-]; pledge. (a) In each year when electors of
16 president and vice president of the United States are to be
17 chosen, each of the political parties or parties or groups
18 qualified under section 11-113 shall hold a state party or group
19 convention pursuant to the constitution, bylaws, and rules of
20 the party or group; and nominate as candidates for its party or
21 group as many electors, and a first and second alternate for

1 each elector, of president and vice president of the United
2 States as the State is then entitled. The electors and
3 alternates shall be registered voters of the State. The names
4 and addresses of the nominees shall be certified by the
5 chairperson and secretary of the convention of the respective
6 parties or groups and submitted to the chief election officer
7 ~~[not]~~ no later than 4:30 p.m. on the sixtieth day ~~[prior to]~~
8 before the general election of the same year. The chief
9 election officer upon receipt thereof, shall immediately notify
10 each of the nominees for elector and alternate elector of the
11 nomination.

12 (b) Each elector nominee and alternate elector nominee of
13 a political party or group shall execute the following pledge:
14 "If selected for the position of elector, I agree to serve and
15 to mark my ballots for president and vice president for the
16 nominees for those offices of the party or group that nominated
17 me". The executed pledges shall accompany the submission of the
18 corresponding names to the chief election officer. Electors
19 shall be released from their pledge if the presidential
20 candidate whom they are pledged to vote for dies. Electors
21 shall not be released from their pledge under any circumstance

1 other than the death of the presidential candidate for whom they
2 are pledged to vote."

3 SECTION 4. Section 14-25, Hawaii Revised Statutes, is
4 amended to read as follows:

5 "§14-25 Duties of the governor[-]; certification of
6 electors by the governor. (a) In submitting the State's
7 certificate of ascertainment as required by title 3 United
8 States Code section 6, the governor shall certify the State's
9 electors and state in the certificate that:

10 (1) The electors shall serve as electors unless a vacancy
11 occurs in the office of elector before the end of the
12 meeting at which elector votes are cast, in which case
13 a substitute elector shall fill the vacancy; and

14 (2) If a substitute elector is appointed to fill a
15 vacancy, the governor shall submit an amended
16 certificate of ascertainment stating the names on the
17 final list of the State's electors.

18 (b) On or before the day of the meeting of the electors;
19 the governor shall deliver to the electors a list of the names
20 of electors[-] and [~~the governor shall~~] perform any other duties

1 relating to the presidential electors [~~which~~] that are required
2 of the governor by laws of the United States."

3 SECTION 5. Section 14-27, Hawaii Revised Statutes, is
4 amended to read as follows:

5 "§14-27 Filling vacancies of presidential electors[~~-~~];
6 presiding officer. [~~In case of the death or absence of any~~
7 ~~elector chosen, or if the number of electors is deficient for~~
8 ~~any other reason, the vacancy or vacancies shall be filled by~~
9 ~~the alternates in the order of their numerical designation for~~
10 ~~their respective electors causing the vacancy or vacancies, and~~

6 by lot from among the alternate electors present to

8 group;
- 9 (3) If the number of alternate electors present to vote is
10 insufficient to fill any vacant position pursuant to
11 paragraphs (1) and (2), by appointing any immediately
12 available individual who is qualified to serve as an
13 elector and chosen through nomination by and plurality
14 vote of the remaining electors, including nomination
15 and vote by a single elector if only one remains;
- 16 (4) If there is a tie between at least two nominees for
17 substitute elector in a vote conducted under paragraph
18 (3), by appointing an elector chosen by lot from among
19 those nominees; or

4 respectively, along with the elector's signature and the
5 elector's legibly printed name.

6 (b) Except as otherwise provided by law, each elector
7 shall present both completed ballots to the chief election
8 officer, who shall examine the ballots and accept as cast all
9 ballots of electors whose votes are consistent with their
10 pledges executed under section 14-21(b) or 14-27(c). Except as
11 otherwise provided by law, the chief election officer shall not
12 accept and shall not count either an elector's presidential or

14 ballots or has marked a ballot in violation of the elector's
15 pledge.
