
A BILL FOR AN ACT

RELATING TO INTOXICATING LIQUOR.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that a number of outdoor
2 festivals, parades, and races take place on neighborhood streets
3 each year. In some cases, event organizers are granted special
4 permits by the counties' liquor commissions allowing them to
5 serve alcohol. There is a range of sentiment coming from
6 residents, property owners, business owners, and others
7 regarding the possible impact of the sale of alcohol at some
8 events on crowd behavior, noise, and other types of nuisance.

9 To deter continuous violations, the purpose of this Act is
10 to require the liquor commission to record all complaints
11 against any licensee, regardless of the timing of the complaint,
12 and require that the liquor commission review the history of
13 complaints against any applicant at the time of application for
14 a new license or renewal of an existing license.

15 SECTION 2. Section 281-17, Hawaii Revised Statutes, is
16 amended by amending subsection (a) to read as follows:

1 "(a) The liquor commission, within its own county, shall
2 have the jurisdiction, power, authority, and discretion, subject
3 only to this chapter:

4 (1) To grant, refuse, suspend, and revoke any license for
5 the manufacture, importation, and sale of liquors;

6 (2) To take appropriate action against a person who,
7 directly or indirectly, manufactures, sells, or
8 purchases any liquor without being authorized pursuant
9 to this chapter; provided that in counties that have
10 established by charter a liquor control adjudication
11 board, the board shall have the jurisdiction, power,
12 authority, and discretion to hear and determine
13 administrative complaints of the director regarding
14 violations of the liquor laws of the State or of the
15 rules of the liquor commission, and impose penalties
16 for violations thereof as may be provided by law;

17 (3) To control, supervise, and regulate the manufacture,
18 importation, and sale of liquors by investigation,
19 enforcement, and education; provided that any
20 educational program shall be limited to the commission
21 staff, commissioners, liquor control adjudication

1 board members, and licensees and their employees, and
2 shall be financed through the money collected from the
3 assessment of fines against licensees; provided
4 further that fine moneys, not to exceed ten per cent a
5 year of fines accumulated, may be used to fund public
6 liquor-related educational or enforcement programs;

7 (4) From time to time to make, amend, and repeal rules,
8 not inconsistent with this chapter, as in the judgment
9 of the commission are deemed appropriate for carrying
10 out this chapter and for the efficient administration
11 thereof, and the proper conduct of the business of all
12 licensees, including every matter or thing required to
13 be done or which may be done with the approval or
14 consent, by order, under the direction or supervision
15 of, or as prescribed by the commission; which rules,
16 when adopted as provided in chapter 91 shall have the
17 force and effect of law;

18 (5) Subject to chapter 76, to appoint and remove an
19 administrator, who may also be appointed an
20 investigator and who shall be responsible for the
21 operations and activities of the staff. The

1 administrator may hire and remove hearing officers,
2 investigators, and clerical or other assistants as its
3 business may from time to time require, prescribe
4 their duties and fix their compensation, and engage
5 the services of experts and persons engaged in the
6 practice of a profession, if deemed expedient. Every
7 investigator, within the scope of the investigator's
8 duties, shall have the powers of a police officer;

9 (6) To limit the number of licenses of any class or kind
10 within the county, or the number of licenses of any
11 class or kind to do business in any given locality,
12 when in the judgment of the commission such
13 limitations are in the public interest;

14 (7) To prescribe the nature of the proof to be furnished,
15 the notices to be given, and the conditions to be met
16 or observed in case of the issuance of a duplicate
17 license in place of one alleged to have been lost or
18 destroyed, including a requirement of any indemnity
19 deemed appropriate to the case;

20 (8) To fix the hours between which licensed premises of
21 any class or classes may regularly be open for the

1 transaction of business, which shall be uniform
2 throughout the county as to each class respectively;
3 (9) To prescribe all forms to be used for the purposes of
4 this chapter not otherwise provided for in this
5 chapter, and the character and manner of keeping of
6 books, records, and accounts to be kept by licensees
7 in any matter pertaining to their business;
8 (10) To investigate violations of this chapter and,
9 notwithstanding any law to the contrary, violations of
10 the applicable department of health's allowable noise
11 levels, through its investigators or otherwise, to
12 include covert operations, and to report violations to
13 the prosecuting officer for prosecution where
14 appropriate. Investigations of violations of chapter
15 244D shall be referred to the director of taxation to
16 hear and determine complaints against any licensee;
17 provided that the liquor commission shall record all
18 complaints against any licensee, regardless of whether
19 the complaint is filed during or after the occurrence
20 of the violation; provided further that the liquor
21 commission shall review the history of complaints
