
HOUSE CONCURRENT RESOLUTION

REQUESTING THE DIRECTOR OF FINANCE TO EXPRESSLY CONSIDER THE AMOUNT OF LOANS WITH FAVORABLE TERMS THAT A DEPOSITORY HAS ISSUED TO DEVELOPERS OF HOUSING FOR HAWAII RESIDENTS WHEN EVALUATING THE BENEFICIAL EFFECTS TO THE STATE OF USING THAT DEPOSITORY, IN ADDITION TO THE EXISTING REQUIREMENTS TO CONSIDER FACTORS SUCH AS SAFETY, LIQUIDITY, AND YIELD OFFERED ON DEPOSITS.

1 WHEREAS, because the moneys collected by the State through
2 taxes, fees, and other sources, are held in trust for the
3 benefit of the public, decisions related to where and how to
4 invest the public treasury concern matters of public policy; and
5

6 WHEREAS, to that end, the Director of Finance is granted
7 the discretion to invest the public treasury with certain
8 depositories -- such as federally insured national or state
9 banks, savings and loan associations, financial service loan
10 companies, or federal or state credit unions insured by the
11 National Credit Union Administration authorized to do business
12 in the State -- subject to the approval of the Governor and the
13 requirements established under section 38-2, Hawaii Revised
14 Statutes (HRS); and
15

16 WHEREAS, under subsections 38-2(a) through (c), HRS, the
17 Director shall give due regard to a depository doing business in
18 the State, shall not deposit more than forty percent of the
19 aggregate moneys available for deposit outside of the State, and
20 shall not deposit more than sixty percent of aggregate moneys
21 available for deposit in any one depository, except under
22 certain circumstances; and
23

24 WHEREAS, under subsection 38-2(d), HRS, prior to selecting
25 a depository, the Director shall further consider the beneficial
26 effects to the State of using depositories within the State, the
27 safety and liquidity of the depository, and the yield offered by
28 the depository; and

H.C.R. NO. 97

1
 2 WHEREAS, the State is experiencing a housing crisis due, in
 3 part, to the combination of skyrocketing real property values
 4 and persistently low available housing inventory; and
 5

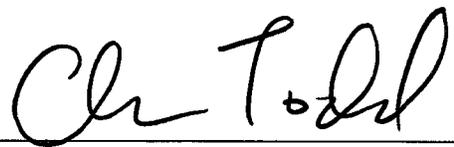

6 WHEREAS, the Legislature finds that depositaries that have
 7 issued loans with favorable terms to housing developers for the
 8 benefit of residents of Hawaii are considered to have benefitted
 9 the State and therefore warrant additional consideration by the
 10 Director of Finance when selecting a depository; now, therefore,
 11

12 BE IT RESOLVED by the House of Representatives of the
 13 Thirty-second Legislature of the State of Hawaii, Regular
 14 Session of 2023, the Senate concurring, that the Director of
 15 Finance is requested to expressly consider the amount of loans
 16 with favorable terms that a depository has issued to developers
 17 of housing for Hawaii residents when evaluating the beneficial
 18 effects to the State of using that depository, in addition to
 19 the existing requirements to consider factors such as safety,
 20 liquidity, and yield offered on deposits; and
 21

22 BE IT FURTHER RESOLVED that "favorable terms" to housing
 23 developers is requested to include the issuance of loans with
 24 below-market interest rates and longer maturity terms for
 25 housing projects where all dwelling units are exclusively made
 26 available to owner-occupants who own no other real property and
 27 are residents of the State; and
 28

29 BE IT FURTHER RESOLVED that certified copies of this
 30 Concurrent Resolution be transmitted to the Governor and
