A BILL FOR AN ACT

RELATING TO AIRLINES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that since January 2021,
2 only one passenger airline has provided service to the general
3 public out of Molokai airport. While the airline has done their
4 best to accommodate the needs of passengers, including
5 additional routes, flight times, and ordering larger planes, the
6 cost of plane tickets remains a hinderance to many Molokai
7 residents who need to travel for essential reasons, including
8 work, medical appointments, and family. A subsidy can help the
9 airlines offset the cost of passenger tickets while encouraging
10 other airlines to also provide service at Molokai airport.

11 The purpose of this Act is to require the department of
12 transportation to establish a one-year pilot program to provide
13 subsidies to airlines operating out of Molokai airport.

14 SECTION 2. (a) The department of transportation shall
15 establish and implement a one-year airline subsidy pilot program
16 at Molokai airport to assist airlines in offsetting the costs of
17 operation.

1 (b) The department of transportation shall submit a report
2 of its findings and recommendations regarding the airline
3 subsidy pilot program, including any proposed legislation, to
4 the legislature no later than twenty days prior to the convening
5 of the regular session of 2024.

6 SECTION 3. There is appropriated out of the general
7 revenues of the State of Hawaii the sum of \$ or so
8 much thereof as may be necessary for fiscal year 2023-2024 and
9 the same sum or so much thereof as may be necessary for fiscal
10 year 2024-2025 for the airline subsidy pilot program.

11 The sums appropriated shall be expended by the department
12 of transportation for the purposes of this Act.

13 SECTION 4. This Act shall take effect on July 1, 2023.
