
SENATE CONCURRENT RESOLUTION

URGING THE UNIVERSITY OF HAWAII SYSTEM TO PROVIDE MENSTRUAL PRODUCTS, FREE OF CHARGE, TO STUDENTS AT ALL OF ITS UNIVERSITY, COMMUNITY COLLEGE, AND EDUCATION CENTER CAMPUSES AS PART OF A PUBLIC HEALTH AND EDUCATION EQUITY STRATEGY THAT ADDRESSES ECONOMIC DISPARITIES.

1 WHEREAS, the University of Hawaii is statutorily prohibited
2 from depriving the privileges of the University to a person on
3 the basis of sex; and

4
5 WHEREAS, eighty percent of menstruating students in the
6 State experience difficulties accessing menstrual products; and

7
8 WHEREAS, menstruating students unable to access menstrual
9 products face a significant barrier to education that
10 biologically male students do not, as a lack of access to
11 menstrual products can limit full educational participation and
12 negatively impact a student's access to learning; and

13
14 WHEREAS, "period poverty", or the inability to access
15 menstrual products, disproportionately affects menstruating
16 students, members of low-income households, individuals who
17 identify as nonbinary or transgender, and many other groups of
18 individuals; and

19
20 WHEREAS, according to a 2021 study conducted by the Hawaii
21 State Commission on the Status of Women and Mai Movement Hawaii,
22 lack of access to menstrual products contributes to higher rates
23 of school absenteeism in the State, with forty-two percent of
24 respondents missing class or leaving school early due to lack of
25 access to menstrual products, and some missing as many as ten
26 days per academic year due to a lack of access to menstrual
27 products; and

1 WHEREAS, chronic absenteeism is one of the most powerful
2 indicators of student success or failure; and

3
4 WHEREAS, a midyear assessment of Mai Movement Hawaii's 2021
5 Hoohanohano Initiative, a pilot project that distributes
6 menstrual products to students at certain schools on the islands
7 of Oahu, Hawaii, Maui, and Kauai, found convincing evidence that
8 free menstrual products have positive educational impacts and
9 decreased the number of students who missed at least one school
10 day due to lack of access to menstrual products by more than
11 fifty percent; and

12
13 WHEREAS, the University of Hawaii should uphold educational
14 and gender equity by providing free menstrual products to all
15 persons utilizing University restrooms; and

16
17 WHEREAS, beginning in the fall semester of 2018, the Alpha
18 Kappa Psi chapter of the Phi Theta Kappa Honor Society at
19 Kapiolani Community College, of their own volition, used chapter
20 dues, University of Hawaii Women's Campus Club grant funds, and
21 Kapiolani Community College Student Congress grant monies to
22 successfully implement a pilot program that provides menstrual
23 products, free of charge, in Kapiolani Community College
24 restrooms; and

25
26 WHEREAS, the University of Hawaii at Hilo, of its own
27 volition, also implemented a program that provides menstrual
28 products, free of charge, in campus restrooms and, based on this
29 program, has estimated the cost of continued distribution of
30 these products; now, therefore,

31
32 BE IT RESOLVED by the Senate of the Thirty-second
33 Legislature of the State of Hawaii, Regular Session of 2023, the
34 House of Representatives concurring, that the University of
35 Hawaii System is urged to provide menstrual products, free of
36 charge, to students at all of its university, community college,
37 and education center campuses as part of a public health and
38 education equity strategy that addresses economic disparities;
39 and

40
41 BE IT FURTHER RESOLVED that, beginning in the fall semester
42 of 2023, each University of Hawaii System chancellor is

1 requested to consult with the student council of the
2 chancellor's respective campus to determine the type and amount
3 of menstrual products to be provided at the campus; and
4

5 BE IT FURTHER RESOLVED that the University of Hawaii System
6 is requested to submit a report to the Legislature no later than
7 twenty days prior to the convening of the Regular Session of
8 2024 on the status of providing menstrual products, free of
9 charge, to all of the System's university, community college,
10 and education center campuses; and
11

12 BE IT FURTHER RESOLVED that certified copies of this
13 Concurrent Resolution be transmitted to the Chair of the Board
14 of Regents of the University of Hawaii System, President of the
15 University of Hawaii System, each University of Hawaii System
16 chancellor, and the Executive Director of Equity Assurance of
17 the University of Hawaii System.
