

## GOV. MSG. NO. 556

### OBJECTIVE

---

A mature and competent health care professional experienced in health coordination, case management, patient-care, patient education, and provider relations. I am comfortable working independently, or as part of a team to achieve goals. I am experienced working with people, and assisting them on a path to success in their own health and wellness management. Most of all, I love contributing to our Hawaii community!

### EDUCATION

---

Bachelor of Science in Nursing,  
University of Hawaii, Manoa, SONDH

Associate of Science in Nursing,  
University of Hawaii, Maui Colleg  
Phi Theta Kappa Honor Society Member

Massage Practitioner License, July, 1990 Ashmead  
College, Seattle, Washington
