H.B. 1108, HD1
RELATING TO COMMERCIAL MOTOR VEHICLE FINES

House Committee on Finance

The Department of Transportation (DOT) **supports** H.B. 1108, HD1, which amends the law relating to vehicle weight violations by replacing the fine schedule and increasing the potential fines based on multitude and magnitude of vehicle weight violations.

The proposed revisions will simplify the definition of legal vehicle weights for commercial vehicles and make them apply uniformly across the state.

Additionally, these revisions are likely to aid the State in its efforts to ensure public safety and preserve its roadway and bridge infrastructure.

Thank you for the opportunity to provide testimony.
