Comments:

Oppose for the reasons stated by the Office of Hawaiian Affairs in their testimony on this bill. Both OHA and the Governor's Office are ready to proceed, as soon as the Governor's Office identifies his appointees to the Public Land Trust Working Group. The provisions of the proposed bill, SB1235 HD1 does nothing to advance the work of the Working Group and appears to minimize its important, critical, tasks. Please do not advance this bill; support the original intent of the bill that created the working group.
