6 which a fee or charge is assessed, except for  
7 water for residential use and sewer charges, on

16 favor of the county shall be subordinate to any  
17 lien in favor of any person recorded or

6 daily increase of the fine. The county shall not  
7 be required to include a social security number,

10 on the notice. Recordation of the notice in the  
11 bureau of conveyances shall be deemed, at such  
12 time, for all purposes and without any further  
13 action, to procure a lien on land registered in  
14 land court under chapter 501. After the unpaid  
15 civil fines are added to the taxes, fees, or  
16 charges as specified by county ordinance, the  
17 unpaid civil fines shall be deemed immediately  
18 due, owing, and delinquent and may be collected  
19 in any lawful manner. The procedure for  
20 collection of unpaid civil fines authorized in  
21 this paragraph shall be in addition to any other

2 and county by law or rules of the courts;  
3 (C) Each county may impose civil fines upon any  
4 person who places graffiti on any real or  
5 personal property owned, managed, or maintained  
6 by the county. The fine may be up to \$1,000 or

8 damaged property repaired or replaced. The  
9 parent or guardian having custody of a minor who  
10 places graffiti on any real or personal property  
11 owned, managed, or maintained by the county shall  
12 be jointly and severally liable with the minor  
13 for any civil fines imposed hereunder. Any such  
14 fine may be administratively imposed after an  
15 opportunity for a hearing under chapter 91, but  
16 such a proceeding shall not be a prerequisite for  
17 any civil fine ordered by any court. As used in  
18 this subparagraph, "graffiti" means any  
19 unauthorized drawing, inscription, figure, or  
20 mark of any type intentionally created by paint,  
21 ink, chalk, dye, or similar substances;

1 (D) At the completion of an appeal in which the  
2 county's enforcement action is affirmed and upon  
3 correction of the violation if requested by the  
4 violator, the case shall be reviewed by the  
5 county agency that imposed the civil fines to  
6 determine the appropriateness of the amount of  
7 the civil fines that accrued while the appeal  
8 proceedings were pending. In its review of the  
9 amount of the accrued fines, the county agency  
10 may consider:

- 11 (i) The nature and egregiousness of the  
12 violation;
- 13 (ii) The duration of the violation;
- 14 (iii) The number of recurring and other similar  
15 violations;
- 16 (iv) Any effort taken by the violator to correct  
17 the violation;
- 18 (v) The degree of involvement in causing or  
19 continuing the violation;
- 20 (vi) Reasons for any delay in the completion of  
21 the appeal; and
- 22 (vii) Other extenuating circumstances.

H.B. NO. 1121

1           The civil fine that is imposed by administrative  
2           order after this review is completed and the  
3           violation is corrected shall be subject to  
4           judicial review, notwithstanding any provisions  
5           for administrative review in county charters;

6           (E) After completion of a review of the amount of  
7           accrued civil fine by the county agency that  
8           imposed the fine, the amount of the civil fine  
9           determined appropriate, including both the  
10          initial civil fine and any accrued daily civil  
11          fine, shall immediately become due and  
12          collectible following reasonable notice to the  
13          violator. If no review of the accrued civil fine  
14          is requested, the amount of the civil fine, not  
15          to exceed the total accrual of civil fine prior  
16          to correcting the violation, shall immediately  
17          become due and collectible following reasonable  
18          notice to the violator, at the completion of all  
19          appeal proceedings; and

20          (F) If no county agency exists to conduct appeal  
21          proceedings for a particular civil fine action

**Report Title:**

Stormwater Fees; State Exemption

**Description:**

Exempts the State and its departments and agencies that maintain or operate a stormwater management system that is interconnected to a county stormwater system from county stormwater user fees. Prohibits each county from denying services to the State or its departments or agencies by reason of nonpayment of user fees.

*The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.*

JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO STORMWATER FEES.

PURPOSE: To exempt State departments that maintain and operate stormwater management systems from county stormwater user fees and to prohibit a county from denying services to any such State department by reason of nonpayment of user fees.

MEANS: Amend section 46-1.5, Hawaii Revised Statutes.

JUSTIFICATION: Several State departments are responsible for the management of stormwater management systems that connect to a municipal county system; in these cases, these departments should be exempt from paying and being charged for use of the municipal county stormwater management system. For example, the Department of Transportation (Department) is engaged with the protection and prudent management of the State water resources with stormwater management and recognizes that biological and chemical pollutants carried by stormwaters drain into the Department's ports and basins. The Department also has Municipal Separate Storm Sewer System National Pollutant Discharge Elimination System Permits for its own drainage systems and comprehensive stormwater management programs to address permit requirements and reduce pollutant discharges to the maximum extent practical. The City and County of Honolulu (CCH) stormwater management system is connected to and uses the Department's systems without charge by or consideration due to the State such that user fees should not be charged to the Department when the Department's stormwater management system

connects to the CCH stormwater management system.

Impact on the public: None

Impact on the department and other agencies:  
The exemption will avoid an increase in the operating expenses of the Department which, in the case of the Harbors Division, are ultimately borne by harbor users, including shipping companies.

GENERAL FUND: None.  
OTHER FUNDS: None.  
PPBS PROGRAM DESIGNATION: TRN-395.  
OTHER AFFECTED AGENCIES: All counties.  
EFFECTIVE DATE: Upon approval.
